- \* In most areas, the majority of the excess prices have finally been wrung out of the market.
- \* Homes haven't been this affordable since 1991.
- \* For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- \* When you own a home, YOU control your security, living environment and can change your home as you see fit.
- \* You can offset some of the cost of ownership by deducting your mortgage interest.
- \* Equate renting with "Throwing your money away".
- \* Purchase with a fixed payment; landlords may increase rent.

## "Postcards from the ledge!"

By: Wally Wharton

Hi!! My name is Wally Wharton and I hope to be a regular contributor to this fine publication, the Nickelshopper. Radio talk show host extra-ordinaire Trevor Garner introduced me to Carl earlier today on air and Carl asked me to write a column for his newspaper. I was both flattered and honored for the opportunity to subject Carl's faithful fans and readers to my peculiar form of madness, AKA, My Life. Just who IS Wally Wharton, anyway?? I am an amalgam of so many fascinating yet frightening things. I am a working actress, writer, artist. I've also been a talk radio co-host and I LOVE to put career politicians on the spot and make them squirm!! I spent 13 years as a stripper down by LAX and even MORE years in underground Hollywood clubs & venues and as an improvisational comedienne. I have a scandalous celebrity-laced past and hopefully, an even MORE scandalous future. Yes, I've reached the age of 61. If I was black I'd be a great-grandmother by now, but as it stands, I have no children (that I know of) and over here in Sunland, Calif. I am a voice for conservative, over-educated (GO BRUINS!!) iconoclasts. I own a multi-colored weird little house straight outa Candyland. I collect insects and antiques. I refurbish dolls of all shapes and sizes--Bring me your "gently-used" Barbies and I will transform them into Sex Goddesses. Hopefully, through this column I will have a regular soap-box on which to discuss the various issues (AKA "problems") that concern all of us Californians. My name is Wally Wharton and I hope to be your friend!!!

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

I.S.I.S. Attacks over the weekend! Close to 300 killed! The individuals responsible are EXTREME ISLAMIC CRIMINALS! And now for the saddest part of this story, our leaders are afraid of world opinion if we water board the bastards! The "Dumb Ass" approach of "We hold ourselves to a higher standard" isn't doing the job! When you hesitate for a second, the bad guys see it as weakness. They want to hang Trump because he is willing to do the hard job of fighting fire with fire. Do you think for a moment that these bastards would not butcher your family in cold blood, you are an idiot! All the talk about being careful not to commit "War Crimes" when dealing with scum is a lie! What it comes down to, our leaders don't have the "BALLS" it takes to do the job. As a nation we have been trained to stand in line, do as we are told, and let the smarter people in the room protect us. Let me know how that works for you when they come to your door to butcher your family. Maybe Hillary will be there to give them hugs and cookies! Speaking of Hillary, the media has carried the story that F.B.I. found no wrong doing, in relation to the missing emails and the private server. Hillary, "Butcher, Bitch of Benghazi" was found not to have done anything wrong! This story was not released from by the F.B.I., it was released by Hillary's campaign staff! If you could put a General like Petraeus in prison for one year for allowing top secret documents to be viewed by a Major with top secret clearance, but not authorized to view, you sure better bet that Hillary needs to see if "ORANGE" is indeed the new "BLACK"! Yet, Trump is painted to be the bad guy! If we allow the "Rich Liberals" to captain the ship, we are doomed. Have you noticed, that most of the "Well Known Liberals" that are for Hillary, are multi-millionaires! If I had people to drive me around, do my laundry, cook my meals and make my bed while I'm "Jet Setting" around the country and the world, I probably would be on board for that ride to the White House. Obama, is smart! He got elected twice using the same line of BULL SHIP that got him in office the first time. If Hillary gets to the White House, it will be a continuation of the same old lie that the current "JOKE IN OFFICE" is giving us. We are hated by the Islamic Extremist because we don't have the will to stand up and be counted. We are not feared any longer in the world of terror. When you have limp wrist, marshmallows calling the shots when it comes to national defense! Makes me laugh just trying to figure out which public restroom I should me headed for!

Thomas Jefferson said in 1802:  
 "I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around the banks will deprive the people of all property - until their children wake-up homeless on the continent their fathers conquered."
