WHAT'S STOPPING YOU FROM BUYING A HOME ?

Bad Credit, No Down Payment, Bankruptcy, Foreclosure, Affordability, Retirement, Student Loans?

- Why Home Ownership Is Your Next Best Move -

- * In most areas, the majority of the excess prices have finally been wrung out of the market.
- * Homes haven't been this affordable since 1991.
- * For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- * When you own a home, YOU control your security, living environment and can change your home as you see fit.
- * You can offset some of the cost of ownership by deducting your mortgage interest.
- * Equate renting with "Throwing your money away".
- * Purchase with a fixed payment; landlords may increase rent.
- * A property is something you can leave as an inheritance.

"Postcards from the ledge!"

By: Wally Wharton

I am still reeling from all the magnificent exposure my particular brand of madness received on Trevor Garner's radio show this past week!! (www.trevorgarner'sofficialhappyhour.com) If you haven't already tuned in to past shows, please treat yourself--- they are all archived and available for your enjoyment-- no censorship, no holds barred, just hours and hours of insightful insanity, perceptive perversion and non-stop FUN with a capital F!! Meet Kimberly, the famous female mud wrestler. Meet "Zombie," aka Danny Workman; and meet yours truly, Wally Wharton, who has a twisted opinion about everything under the sun!! Out here in Sunland-Tujunga, things have been hotter n' Hades. Temps. topping 111 degrees-- and the near-by Sand Fire ain't helping matters at all. For the last three days it's been raining ash and smoke, like you wouldn't believe. Thank golly so many animal activists have kicked into high gear in order to evacuate pets, horses, as well as exotic animals from the "Wildlife Waystation." Friday and Saturday a thick oppressive cloud of gray/orange smoke colored both the sun and the moon a deep brilliant red. And the smell of burnt earth was undeniable. It was like Someone was having a HUGE BBQ, to which none of us were invited. Out of sheer instinct, I grabbed the ribs out of the freezer and threw 'em on the back porch. Today's temps are still astronomical, but at least there's plenty of blue sky up above. I've been existing solely on iced tea, white wine, potato chips and cold homemade peach pie with plenty of powdered sugar on top. ('Member those donut peaches that didn't get gobbled up on the 4th of July? I had to do something constructive with 'em, and a peach pie was DEFINITELY the way to go!!) Stay COOL!!! Love, Wally

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

I thought that I would take a moment to give you some in site on my editorial. I write it on Monday. Monday is the day that the paper is put together, it prints on Tuesday and starts hitting the street on Wednesday. Sometimes, that causes a little glitch on time line and events that are happening. This evening, I am listening to the first day of the Democratic Convention. All of last week, the Republican Convention, the Democrat's did nothing but cringe as they saw their candidate get blasted. They even made comments to how juvenile the Republicans are. Now, the convention speakers for the Democrats, are even more of a joke than their candidate! All they have is some lame comedians with lame jokes going after Trump. You talk about a room full of hate. I thought they were a cut above and did not lower themselves to the level that they have been crying about. Their server, got hacked, Bernie was blocked by his own party. He said that the system is rigged, so did Trump. Now he is on the side line and carrying the banner for the most evil woman that has ever walked the earth. The group of mentally challenged speakers is definitely a laugh. They are actually funnier than the comedians that were there to entertain the masses! Hillary claims to be above down and dirty tactics. If that were true, she would not be the nominee. Bernie would have had it. They are saying that the Russians planed the release of this information to help Trump win the election. They are grasping at straws. They just hate the fact that this information was released right before their convention. Oh, it is getting funnier by the minute! You could not write a sit com this great. Trump and Clinton debate, that's what I want to see. Personally I think Trump with little effort will get her to lose her cool and show the nation her true colors. Her pick for Vise President is a wimp. She can't afford to have someone in that spot that would out shine her. He is a good person, I'm sure, but he lacks in testosterone. He is without a doubt a yes man. He was so star struck standing their with Hillary, I thought he was going to mess himself. And you nasty people thought I would be vulgar and say "PISS HIMSELF"! I am trying really hard to become more socially and politically correct. Actually not! Trump has made everyone aware that it is ok to speak your mine. If someone is offended, oh well, they will get over it. The other group that cracked me up is all the illegal aliens that spoke on stage. Poor demented people, Clinton only needs your sad story to make her look good. Bill was in the audience looking bored. He can't hit on women while he is there!
