- Why Home Ownership Is Your Next Best Move -

- * In most areas, the majority of the excess prices have finally been wrung out of the market.
- * Homes haven't been this affordable since 1991.
- * For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- * When you own a home, YOU control your security, living environment and can change your home as you see fit.
- * You can offset some of the cost of ownership by deducting your mortgage interest. * Equate renting with "Throwing your money away". Purchase with a fixed payment! -landlords may increase rent.-

"Postcards from the ledge!"

By: Wally Wharton

Hopefully by now all you Nickel Shopper readers have treated yourself to a good LONG listen to one of the hottest new shows in the on-line radio world, "TREVOR GARNER'S OFFICIAL HAPPY HOUR!!" Spearheaded by The Man himself, seasoned radio personality Trevor Garner and his business partner, Lyle Fenimore, the show centers around the local bar and hot-spot exploits of Trevor Garner and all the amazing lovely ladies and amicable personalities he encounters while relaxing behind a good, stiff drink.....or two. As he ingratiates himself to all he meets, Trevor makes pertinent social commentary that will leave you rolling in your own aisle!! Partake in Trevor's clever, sometimes self-deprecating wit and even wisdom and you will be guaranteed a good time!! In addition to Trevor and Lyle (who have an easy, conversational rapport) you will also be privy to a cast of unforgettable characters---- There's "Zomby," (aka Danny Workman) who is the perfect foil for Trevor's stream-of-conscious ramblings. There's the beautiful Kimberly, a former female mud-wrestling champion, dancer, music video star and actress, and then there's show-biz impresario extraordinaire Dave Lerman (of "Doug n' Dave" and Howard Stern Show fame) whose scope and knowledge of media personalities and show-biz history would impress Walter Winchell. I also can't forget to mention comedy aficionado & animal activist Tony Washington Shapiro, who recently saved MANY four-legged lives during the horrific Sand Fire out in Santa Clarita. And then there's little old me, Wally Wharton, who occasionally throws a good old-fashioned monkey wrench into the works by re-counting a few of my own treasured exploits from movies, TV, theater and journalism from the not-so distant past. In addition to us iconoclastic regulars, Trevor Garner also conducts top-notch celebrity and celebrity- adjacent interviews: TV stars Juliet Mills ("The Nanny & The Professor"), Cindy Williams, "Laverne & Shirley, current rap sensation "Santa Ana Slick" and his lovely lady Muffin, son of Bob Guccione Nick Guccione, and just today Trevor interviewed the foremost authority on Lucille Ball, Michael Stern. Check out Trevor Garner's Official Happy Hour FB page and tune in to the show itself at www.trevorgarnershappyhour.com. Chime in in the Chat Room and access the archives, or simply call in to the show itself!!! (714)798-9806. You'll not only have a barrel of laughs but you're bound to learn something as well!!! And who knows?? You just might hear the "Nickel Shopper Editor" himself on the air upon occasion-- Carl Kerns!!!

Best wishes from "The Ledge!!"
---Wally

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

On Monday Trump addressed the nation with his economic plan. During his speech there were 14 interruptions from Hillary supporters. Trump actually stayed on track. He did not let the trash that showed up detour him from his message. Just a short while later, after his speech, 50 GOP members released a signed statement that they would not support Trump because they feel he is unfit to be elected President. If you listen to what you are told about Trump, from the haters, he is not capable to run the country. They bring up false facts, how Trump attacked a Gold Star Family. Actually if you look back it was Khan who threw the first punch. Khan and his wife have a long history with the Obama's and Clinton's. Every time they reference Trump making fun of people with handicaps or gender, you need to be fair and look back at what actually brought about the return fire. These people attack and retreat. They start the fight and when Trump destroys them, they want to hide behind some Bull Shot (you are welcome to replace the o with an i) reason how they are being picked on unfairly. My Stepfather, who was a very smart man, had a saying about individuals who want everything given to them for free and still complain. He called them Beggars with clubs. The one thing that all of the "Never Trump" movement have in common, they know that if the citizens who vote, get their heads out of their, let's say warm and cozy place, their free ride ends. Many of the life time Washington scum will be looking for work. They know that within 30 days of Trump being in office, they will get their walking papers. We have been sold out long ago by the "Bastards" who gain financially from keeping the machine well oiled. Hell yeah, they find fault with everything Trump. Yes he had his businesses that are overseas, but that is not illegal. The man can be judged by his children. How many of you out there, truthfully wish you children were half as good as Trump's. It wasn't money that made them so amazing. It was the example that was set for them at home. How many "Rich Kids" now a days make headlines because of bad behavior? You have to remember, the people that are for Hillary Clinton, are the same scum who have convinced your children that Kim Kardashian and other bottom feeders like her are good role models. When are you going to see the writing on the wall that says, "This our last shot at saving our nation?" When are you going to realize that we have been lied to at every turn. Hillary, loves, Hillary. No more, no less. Even Bill, would rather be with any woman other than her~!
