- Why Home Ownership Is Your Next Best Move-

- * In most areas, the majority of the excess prices have finally been wrung out of the market.
- * Homes haven't been this affordable since 1991.
- * For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- * When you own a home, YOU control your security, living environment and can change your home as you see fit.
- * You can offset some of the cost of ownership by deducting your mortgage interest. * Equate renting with "Throwing your money away". Purchase with a fixed payment! -landlords may increase rent.-

"Postcards from the ledge!"

By: Wally Wharton

Well, it happened again. I don't know how it happened again, but it happened again. No, wait--- I know EXACTLY how it happened...again. I volunteered. Yes, I volunteered to throw another Tiki party in my backyard-- not for a mere party of 6 this time around, for a party of 25!! A dear friend of mine for over 30 years was turning 75, so.....well, why not?? Now...I should tell you that this dear friend of mine is none other than retired L.A. Times restaurant reviewer/author/food historian Charles Perry. I was one of his regular diners for years and often got to sample ENTIRE MENUS of food featured at L.A.'s top-notch eateries. Charlie'd be assigned to review the exotic, the historic, the trendy and sometimes even the just plain weird, but it was always an adventure and always fun. But his career in food writing is really just the tip of the iceberg. Charles Perry is one of the founding contributors to "Rolling Stone" magazine, a distinction which enables one to still see his name on the masthead of that seminal publication. So this party had to be a real shin-dig. Charlie composed the guest list, which was comprised mostly of other food historians, his family members and friends. Oh-- and one more thing you must always keep in mind when throwing a themed party for any food historian-- "ZA FOOD VILL BE AUSENTIC....VE HAF VAYS AUF MEKKING YOU MEK ZA FOOD IN ZEE MOST AUSENTIC MANNER..." So Charlie e-mailed me authentic Tiki recipes from Trader Vic's and the wonderful Tiki madness began!!! I dragged out my 1950's bamboo bar from the garage, my Golden Girl coffee table that I hand-painted (see picture), placed my collection of real Tiki gods appropriately throughout the backyard, turned one of my trees into a well-lit Tiki tree, blasted the exotic sounds of Martin Denny and passed out leis to all of our muu-muued and Hawaiian-shirted guests!! We BBQed ribs, chicken, shrimp marinated in all the sauces, I made a massive amount of fried rice, a KILLER coconut cake and Charlie made KILLER tropical drinks all evening long--- decked out with mint leaves and the obligatory swizzle stick and parasol. Needless to say, everybody was as "well-lit" as my Tiki Tree!!! ALOHA!!! ---Wally Wharton

Barbecued chicken. 1 tablespoon dry mustard mixed with enough water to make a paste, 1 tablespoon sugar, 1 tablespoon grated ginger, 1 grated onion and 1 cup soy sauce. Let it stand overnight in a jar. Marinate chicken pieces in this for 1 hour before barbecuing.

Beef Ribs Luau. Marinate 10 pounds of beef ribs for 1-2 hours with 2 cups ketchup, ¼ cup sugar, 1/8 teaspoon garlic, ¼ cup char siu sauce (Chinese barbecue sauce) and 2 tablespoons white wine. Grill until the ribs are browned and done, about 10 minutes on a side.

Satays. Chunks of pork loin (or lamb or beef). Rub them with satay mix: for every 1 pound of meat, 1 tablespoon curry powder, 1 crushed clove of garlic, 2/3 minced onion and 1 teaspoon salt, all mixed with the juice of 1 or 2 limes (depending on size) and a teaspoon of honey. Let sit for 10 minutes, then thread on bamboo skewers, grill and serve with Thai peanut sauce: 1 cup peanut butter, 1 cup canned coconut cream (thicker than coconut milk), juice of 1 lime, ¼ cup soy sauce, 1 tablespoon Worcestershire, ¼ teaspoon salt and a dash of cayenne or tabasco. **Sweet and sour shrimp.** Mix ½ cup vinegar, ½ cup brown sugar, ½ cup pineapple juice, 1 teaspoon salt, ¼ teaspoon pepper, 4 slices canned pineapple, 2 bell peppers and 2 peeled or grated tomatoes, and bring to the boil. Add 2 tablespoons cornstarch mixed with ¼ cup water and stir until the sauce turns clear. Add 1 pound cooked shrimp and simmer 2 minutes. To serve, top with 1 tablespoon minced green onion.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Louisiana flooded! These poor people have just barely started to recover from Katrina. They say that F.E.M.A. is on the way, or already there! That sure makes me feel better! We know what a joke it was the last time F.E.M.A. was there. I hope all the citizens in Louisiana have a quick recovery. Now on to Politics!

The media is upset with Trump putting them in the same boat with the corrupt politicians. How dare he accuse them of helping to rig the system and the elections. Well, if you have half a mind and can out down your joint or bottle of what ever, you can see just how the Liberal Media is helping to sway public opinion against Trump. They nitpick every thing that Trump says, even when he is using sarcasm in telling a point in his speech. Hillary is handled differently. The Media is quick to point out the the F.B.I. says that Clinton was telling the truth. Well, she told the F.B.I. the truth. She lied to the American Public and that's alright. She lied to the families on the tarmac when they were there to recover the bodies of their loved one's who died in Benghazi! That's OK! She lied about her attorneys reading all her emails before they were deleted! This woman has lied to everyone she has dealt with long before all the young women Bill deflowered in the White House. I have an issue with the "Idiots" that won't accept the fact that the Clinton's are nothing more than "TRASH"! Why in the world would you vote for someone with that kind of track record? Why in the world are we even allowing her to run for the highest office in the Nation? Why is the Media not jumping all over the true track record of the Clinton's and their "BULL SHOT" (dot the "O") foundation. Have we really become that stupid as a society? Today, my Outside Sales Manager asked me a very sincere question. How does a parent teach a child common sense? He said he wasn't sure where to start? I thought for a moment before my reply. To keep it brief and right to the point I replied, "You teach your children common sense by example"! You use your actions to instill this quality. When you see an outstanding young person that has direction in life and purpose, that was from example. When you see individuals who feel the world owes them a living and everything needs to be FREE, look at the example the parents have set. When you see a young lady reportedly smoking a joint in public, hiking her skirt for the camera, showing her ass, look at the parents for the example they set for her! That young lady is Malia Obama! You don't see that report on CNN?
