- Why Home Ownership Is Your Next Best Move -

- * In most areas, the majority of the excess prices have finally been wrung out of the market.
- * Homes haven't been this affordable since 1991.
- * For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- * When you own a home, YOU control your security, living environment and can change your home as you see fit.
- * You can offset some of the cost of ownership by deducting your mortgage interest. * Equate renting with "Throwing your money away". Purchase with a fixed payment! -landlords may increase rent.-

"Postcards from the ledge!"

By: Wally Wharton

All we need is ONE little million-dollar idea to make us rich, right?? No doubt you've heard of a little pseudo-taxicab company called "UBER." Well, welcome to MY elaboration on that theme. Welcome to "BOOBER Drivers International." Young, lovely, topless drivers sporting NO implants over ten years old!! And what better day to roll this one out than on Topless Day!!! Due to the fact that I'll be going out of town, I must make this a brief, but no less heartfelt, "POSTCARD FROM THE LEDGE!!!"

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Well, the people have spoken!!! Southside with you, opened on Friday. The film for the entire weekend grossed 3.1 Million dollars! If I do the math right, each ticket sold for the low price of \$6.00, the movie only had a little over 500,000 people attend! Well, it could have been a better attendance, Sausage Party is a hard one to compete with! I mean, realistically, food that talks or a talking joke! This one was a no brainer. The football player that refused to stand for the national anthem, needs to give up that 100,000,000.00 plus salary and move to some place that he likes better. The media, bottom feeders that they are, will only refer to illegal alien's as immigrants are part of our problem. America is a nation of English speakers. Everyone here is only American and no other titles need be attached. So my suggestion is to go back to where you came from and be proud of your heritage! Here we are all Americans. Everything that is on TV now is all about being respected for being a low life. This last week I did see a program that was amazing. It is call "Adam Ruins Everything". Adam explained in a very simple, understandable way how our election system works. This system was put in place over 200 years ago. No matter who the people give the majority of the vote to, the electorates from each state will be the ones who make the final choice. It breaks down to this. Half of the electorates when they go to represent their state, can cast their vote for whomever they wish, ignoring the true vote and choice of the people. And the Democrats and Republicans say that the system isn't rigged! According to Adam, the politicians and the bureaucrats that are in Washington have preordained who will be in the White House years in advance. Another in your face moment, which everyone seems to ignore, is Hillary the Butcher Bitch of Benghazi Clinton started off with over 560 Super Delegates before anyone else had signed up to run? Don't you find that disgusting? I can see the writing on the wall! The "BASTARDS" who have screwed us, played us, lied to us, and have stolen from us, already know that Clinton is the next President, the first woman to hold this office. She was promised this before the 2008 election. She will make sure that they deliver this time. It will be a long shot that Trump gets in! You have a better chance of being eaten by an Albino White Shark while sitting in the stands watching your favorite team play in the World Series! And we let them continue to operate this scam!
