7 Days In Hell: I Was There!: An Eyewitness Account of the True Existence Hell Paperback

by Larry E. "Buck" Hunter (Author),  
 Shane L. Weiskircher (Editor)

HELL A REAL PLACE Our curiosity about the abode of the dead is not completely satisfied by biblical terms or verses. What we do know is that either eternal torment in hell or eternal joy in heaven awaits all people after death, based on whether they trust in Christ's payment for sin or reject Christ. I WAS THERE! The Bible calls hell dark, lonely and miserable, a place of eternal separation from God. But God doesn't want anyone to go there. He wants a relationship with us through His Son, Jesus Christ, so we can spend eternity with Him in heaven. You don't have to fear hell. Take time now to be assured of your place in heaven.

## FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Home Depot co-founder Bernie Marcus says "America will go down the drain" if Hillary Clinton is elected president. He accused the Clinton's of being a "corrupt family" and urged Republicans to vote for Donald Trump even if they don't like him. "You may not like him, but you [have to] vote for him because he's going to save this country." Journalist and author Cokie Roberts said Democrats are "nervously beginning to whisper" about needing to replace Hillary Clinton as the presidential nominee because of her health issues. Former CIA Director Jim Woolsey, who served under President Bill Clinton in the early years of his first term, joined Donald Trump's campaign as a senior advisor on Monday. During brief remarks at the LGBT for Hillary Gala in lower Manhattan, Clinton called "half" of those supporting the Republican nominee a "basket of deplorables." "Right?" she said to laughter from attendees, which included entertainer Barbra Streisand. "The racist, sexist, homophobic, xenophobic, Islamaphobic — you name it. And unfortunately there are people like that. And he has lifted them up." There you go, the whole ball of wax! Clinton's health is what Trump said it was. Clinton's followers are definitely not wired correctly. How can you sit there and take anything she says, or promises seriously? To get hired by any of the News Media, you have to pass an exam! First question, if we hire you, can you hold your breath for long periods of time? Can you tolerate reporting half truths to the public? Are you quick on your feet when challenged on your lack of knowledge on issues? Finally, can you look the American Public in the eye and down right lie to them? IF the answer is yes, you get the job! If the answer is no, check to see if you can get hired by the Trump Campaign, I hear they are dumb enough to tell the public the truth, when you can create a better lie!

**Thomas Jefferson**

"When we get piled upon one another in large cities, as in Europe, we shall become as corrupt as Europe."

"The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."

"It is incumbent on every generation to pay its own debts as it goes. A principle which if acted on would save one-half the wars of the world."

"I predict future happiness for Americans if they can prevent the government from wasting the labors of the people under the pretense of taking care of them." --Thomas Jefferson
