FROM THE EDITOR! "UNSPOKEN THOUGHTS"

I am a little confused this last week. I have been listening to the female mediators on most of the news channels blasting Donald Trump and his treatment of women. They are repeating things that he said in his past. They are hoping to turn his words against him. Now if I get it right, Trump's "IDEAL WOMAN" has to meet certain standards. Well, I guess that is the case with every man and woman on the planet. We all have our version of what is the ideal woman, man, or mate. Sorry to burst their little bubbles!

These same women are on prime time morning and evening news on CNN, FOX and so on. They have every hair in place, their clothes are picked to accent their figures, their mke up is set to show their best features, and so on! So, it is okay to be "HOT" when it landed them their jobs? It is okay for them to make fun of Trump because he finds women of their looks attractive? Well, wake up you "STUPID BIMBOS" the only reason you nailed the job is because of your looks! Anyone can read from a

TelePrompTer with a little practice! You never, until recent, see the full figured woman with average looks in one of these job positions. Michaela Pereira just broke through the big skinny ceiling in news anchors! You go girl! Show the skinny, Olive Oil looking, Hoe's what a woman of color and size can do. These "BIMBOS" need a reality check before they cast dispersion on someone else's likes and dislikes. I think ,if they gained 15 or 20 lbs. the program manager would be having the same talk with them that Trump is said to have with some or one of the beauty contestants! Everyone is quick to point out a flaw in someone else's character, but forget to look in the mirror first before firing off an insult. They do everyday, what they say, is so shameful in a Presidential Candidate! Must be nice to afford all the plastic surgery that these gals have paid for. And they act like they represent the everyday working Mom! They are well paid hippocrates!
