**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

The word of the DAY is DUCT TAPE! You actually saw Hillary Clinton speechless when Trump dropped the "I'll put you in jail"! Bill Clinton was sitting in the gallery looking like he was going to his own execution. If the "Idiots" that want Clinton elected could not see what a vile, arrogant piece of garbage she is, you should give up your right to vote. No matter what was being said, she had that "Demonic Smile" when she wasn't speaking. She knows that Obama will make sure that she can't be held accountable for anything she has said or done during his two terms in office. This woman has the nerve to call herself a mother and a grandmother. This human garbage bag, sits there and scoffs at the women in the audience that her husband abused years ago. She is as bad as Bill Clinton, when it comes to the treatment of women. I will play the Devils Advocate for a moment! Perhaps, if one woman came forward with accusations against Bill, it would be fully understandable. But, when you have a line of women coming forward with proof (DNA) of the assault, and you set out to threaten to destroy their lives? That is not what I want in the Presidential Office. Trump did apologize for his video from 11 years ago. I don't think that it was what we can call appropriate language for the Commander and Chief. I have heard such talk over the years, by guys that talk big. We always figured, the guy who bragged the most, was getting the least! Bad language, verses bad and callous actions that cost lives, and puts the nation at jeopardy, is not the one I want to run the nation. If Clinton gets in, you think it is bad now, it will look like we were taken on a picnic. Hillary, with open arms, will allow third world rejects into our country. We are losing our nation, yet when it is pointed out to us we ignore it. This nation is on it's way out. We will crumble and fall. Just as Nikita Khrushchev told John Kennedy back in the 1960's!
