**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

I find it amazing, that a verbal indiscretion has more impact on a person voting, rather than viewing a person who has broken the laws of our country, moral and ethical values and principles, and is probably insane. I wish someone could explain to me which puts our country in more danger. A potty mouth, or a corrupt politician that breaks all the rules and exposes us to open borders and terror attacks. Hillary Clinton is not a honorable American. She has her sights on the Top Office in the World!! President of the United States! If she thought that she could pull it off,

she would have a goon squad taking down the competition. This woman is more dangerous to our freedom than all the Islamic Terrorists combined. She has been exposed through her own emails that are now public. The issue is not how we got the truth, just the fact that we got the truth in time to see what a SACK OF SHOT (you can replace the O with an I if you like) she is. Obama is as corrupt as the Clinton's. He is hoping that damage control can get a handle on things. This week the Pussy President came to California to see about raising more funds to put in the "Hillary Victory Account"! Personally, I hope to see her use that money for her legal defense when she is finally held accountable for all the violations of our laws!
