**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Well, it's Monday night again. Doing the paper on Monday sometimes is not the greatest timing wise. With Tuesday being the final day to vote for our favorite candidate, I don't get to write about the winner. At this point, the winner could be Trump or Clinton. If you listen to the corrupt media, Clinton is winning. If you have any common sense, you voted for Trump. The facts have come forward during this election cycle. Our nation is nothing more than smoke and mirrors. We have the corruption running through the entire government. This corruption runs right to our President. He is a liar, a low life and he is going to retire one rich son of a bitch! He is laughing in your face, because the brainwashed liberals are so stupid that they drank the cool aid and now with their vote have endangered the lives of every man, woman and child in our nation. If it is Hillary the Butcher Bitch of Benghazi, she will be on a vendetta to even the score with anyone she thinks crossed her. Huma Aberdin, her right hand girl for quite a few years. I have seen the body language between them, it is not what they represent it to be. Hillary is given a walk be the piece of garbage A.G. Lynch. Looking at several of her photos, I have come to the conclusion that she is a special kind of Stupid!!! She is being played, without a doubt. Obama needed to put a player in that position who would take the heat, and probably the fall while he rides out of town with the loot! We have been scammed, and if my fears have come true, Hillary will continue to milk us dry. She will make sure that every piece of third world trash can enter our country and be given benefits that Americans can't qualify for. We are heading to a New World Order. Get used to having foreigners tell you what property you have that you will now hand over to them. We are foolish if we think that this bitch is anything but a traitor. I hope I am wrong. See you next week!
