36 years and counting.**

Who Am I?

Hello! I am not sure how many of you have lived in the desert most of your life. I can remember in the 70s when you would move to a new town and the "Welcome Wagon" came to meet you with a basket full of all kinds of goodies. The neighbors would stop by with food as well. Times have changed. 2010, i moved back to town. I got no pie but i did get served jury duty! Jess Ranch was a turkey ranch. There were no street lights. We would stop on Bear Valley and Deep Creek Road, for the sheep to cross from one alfalfa field to another. Now Bear Valley and highway 18 are so busy, people coming and going. Change is good. There are plenty of desert left. With beautiful sunrises and sets. My house was built in 1980. We watched people come and go. I asked my father last night, How well do we really know our neighbors? How many kids live on our block? I think we should have a block party! As the weeks go on, i am only going to tell you my first name for now. Pamela. As the weeks go on i will share more about myself and about life. The stories you will read are true, funny and most importantly from my heart. I would love to hear from my readers. If you would send me an email of you history and stories from the high desert. As well, if you have any questions please ask and i will get back to you! If by New Years, you have guessed who i am you will win 2 tickets to the movie of your choice!!
(Popcorn and drinks included) Good luck!

First hint: Pamela =

positive attitude makes everyday living awesome.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

What a week it has been! The man who was said to have less than 1% chance of getting the Republican nomination for President, is now President. The same people that were very stern about Trump signing that he would back who ever was the nominee, could not count on the others who signed to back him. The people that were adamant that Trump accept the outcome of the election results are the ones that are refusing to accept the election results! Can you believe the in your face double standard of all the politicians in both parties? Now, we have children skipping classes to protest the election results. Let me tell you what children of the corn, you are not that FSSKING SMART that you can afford to miss class! They wanted Trump to disavow the backing of the K.K.K.. Yet, Hillary nor Obama have come forward to disavow the violent destructive actions of the same TRASH that voted for Clinton? You have sports figures who are making millions of dollars, who won't stand for the National Anthem and our FLAG, but did not vote? Are you kidding me? We need to get on the same page. There is no more of the crap of two names of our citizens. We are all Americans. There is a division that the corrupt politicians have been feeding for years. They can get away with bogus laws and fees and who knows what else since the people are off balance and distracted over Bull Shot! These distractions are great when you are sliding by a crap law like Brown pulled with Prop. 57. Why are we not getting a recall petition on this senile old degenerate. Are you really that brain dead from too much booze and drugs to see that you have made the deal with the devil? I laugh, when I see the special kind of stupid that has taken over in society! I would not hire any of you retards, even if the government would pick up half of your salaries! You are an embarrassment to our forefathers and the Nation!
