**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

I just can't believe the "Stupidity" that has over taken our youth! You are aware of the play, "Hamilton" by now. I personally would not waste my money to go see it, but that's just me. It is not really a true accounting of what happened in history. Anyway! As the play ended, the actor who played Vice President Aaron Burr, Brandon Victor Dixon, acknowledged that Mr. Pence was in the audience, and chose to address Vice President-elect Pence and inform him of what he and the other actors think of Trump and Republicans in general. Well to start with, that was about the rudest thing they could have done. I personally think that Brandon Victor Dixon, is just a "Rude Screaming Queen"! If that is offensive to anyone, at this point I really don't give a "Flying Rat's Ass"! All you rude whiny little "BUTT PLUGS" need a lesson in manners and how to behave in public. You want to be respected and accepted, even with all your degenerate crap that you want to be considered normal behavior. And yet, you refuse to show the same consideration for a person who's views are different than your own! I would have loved to have been in that audience when you started flapping your gums, showing how FSSKING IGNORANT YOU ARE! Here are the facts. Your candidate lost, because of GOD's intervention. That is my belief, so if that offended anyone, line up and kiss my ass! I have had it with all the special needs children that are now in line to eventually run the country! When that happens, I hope I am dead and gone for a few decades. You are not even smart enough to know you're stupid. You have always been given a trophy, even when you sucked! If you did not have some one to earn and protect your rights for you (military veterans, law enforcement, etc...) you would still be hiding in the closet! So piss off wanker!

(If you are not sure of meaning of wanker, google it!)

Who Am I?
 Hello! I am not sure how many of you have lived in the desert most of your life. I can remember in the 70s when you would move to a new town and the "Welcome Wagon" came to meet you with a basket full of all kinds of goodies. The neighbors would stop by with food as well. Times have changed. 2010, i moved back to town. I got no pie but i did get served jury duty! Jess Ranch was a turkey ranch. There were no street lights. We would stop on Bear Valley and Deep Creek Road, for the sheep to cross from one alfalfa field to another. Now Bear Valley and highway 18 are so busy, people coming and going. Change is good. There are plenty of desert left. With beautiful sunrises and sets. My house was built in 1980. We watched people come and go. I asked my father last night, How well do we really know our neighbors? How many kids live on our block? I think we should have a block party! As the weeks go on, i am only going to tell you my first name for now. Pamela. As the weeks go on i will share more about myself and about life. The stories you will read are true, funny and most importantly from my heart. I would love to hear from my readers. If you would send me an email of you history and stories from the high desert. As well, if you have any questions please ask and i will get back to you! If by New Years, you have guessed who i am you will win 2 tickets to the movie of your choice!! (Popcorn and drinks included) Good luck!
 First hint: Pamela =
 positive attitude makes everyday living awesome.
