**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

Well hello my fellow conservatives! It is still a very interesting election we are in! We have Obama, saying if he doesn't like what Trump is doing, he will step in and make it clear that he is not happy? Are you kidding me? Obama, from me to you! Man to Man! I poured you a big, hot, steaming cup of "SHUT THE FSSK UP!" Now, put your hot pink big girl panties on and man up! You had your shot! You fell on your face, time and time again! Now just go quietly into the night! Back to Chicago, Kenya, any place that we don't have to hear from you or see you again! Oh, if you don't mind, can you take Oprah and Rosie O'Donnell with you? I guess the Left still doesn't get it! We are tired of the business as usual attitude in Washington, D.C.. We the people have decided that we need a businessman to run the country as a business! The Liberals who are clutching their pearl necklaces need to understand that their girl lost! Hillary, if you like, I will check and see if Obama has room on his plane to take you with Rosie and Oprah! That should make it all better! The Left is not giving Trump credit for saving the jobs at Carrier. They are playing it down. They are saying that the President Elect has over stepped his authority! Ask the people who's jobs just got saved what they think? I think that all the bleeding heart Liberals need to take a deep breath, hold it till they pass out, and then fall into their safe zone, never to bother working people again! A word of advice to all the little weenie washers on our college campuses. Go down to one of the Recruiter Offices for the Military. Army, Air Force, Navy or Marines, I am sure without a doubt they can direct you to a safe place. You will be given clothing that fits in with everyone. You will be able to direct your personal powers in a way you never dreamed of. You will get to travel the world and explore all your inner feelings!  
Try it, you'll like it!! I did!
