**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Finally, December 19th! I did not think that is was ever going to get here! The Liberals are pulling out their hair, promising to drink the Cool Aid to avoid a Trump administration. That is fine with me! Can you believe the hate that has come from the Democrat's? I wonder if they have been using drugs? Michelle Obama and that pathetic joke Oprah were stating how all hope is gone! I never laughed so hard in my life!!! Obama really believed the crap she was spewing. I have seen on Facebook, Liberals losing their minds. Some of these people I have known for several years, I thought they were people of intelligence! No matter how hard they try, you have to address the elephant in the room! Obama's legacy is going out the window, and he will go down in history as the worst President! He even out did Jimmy Carter! Now he can hide his face in shame! Your girl Hillary just could not get there, no one wanted 4 more years of you failed policies! Trump and his people have done more in the last couple of weeks than any other President in the history of our country. I think that we will be in for a great come back! The border will be secured, jobs created and prosperity. We need to give Trump the chance to deliver on what he has promised! If he falls on his face, I will be the first one to bust his chops! I gave Obama the benefit of the doubt when he was first elected 8 years ago. No one can walk on water, but there are a few people who have mastered skating on thin ice! Just a thought! Clinton whispered in Trump's ear, "You are not strong enough to withstand the storm!" Trump whispered back "I am the storm!" I will be praying for our nation! Lord knows we need it!

Thank you for your patronage, that has made us a success for the last 36 years and counting!!
 The Nickel Shopper Staff wishes you a Merry Christmas!

Pamela's World!

Hello my Friend,

I enjoy sharing my stories with you, so ride along, use your imagination since you
 don't know what I look like...Some days I feel like Stevie Nicks, and others I feel like
 Roseanne Barr. When I left Lake Havasu, AZ I was going through menopause (Not
 nice - it was 115 degrees outside, and my body was 125 inside. My Ex made the
 fatal mistake of saying, "A wife's place is in the kitchen," didn't he realize that's
 where I keep the knives?! And then again, it was "my place to have dinner on the
 table at 5:30." I just looked at him- you know that look head tilts to the side,
 eyebrows seem to have grown into the unibrow - without words you have now been
 given a stare that can melt ice and make grown men cry -- it works! It really does!
 Been with someone for sooooo many years, and now he tries a stunt like that? Hm
 I think it is men go through "man-o-pause! (Anyone who knows me, knows!) When
 the smoke alarm goes off, Mom's cooking and go to the table. (I do make an
 awesome salad -lol- Back to my story...It was time to leave and go back to Califor-
 nia and hang out with my mom. But I'm not unkind, I left him w/some of my very
 good friends, Sara Lee and Marie Callendar! If he times it right, Freezer, Microwave
 o the table. By 5:30 He'll be having dinner! My other friends are hanging around too
 Betty Crocker, Little Debbie and "Ain't your mama." (otherwise known as Aunt
 Jemima- now to think about it, that's a whole other story.. the mind!)

So, when I moved bak I was driving, looking for water - Deep Creek always had
 water, and being in Lake Havasu City I had plenty of water- the Colorado River
 flowed right by in front of my house, and I could swim and cool down. So in the
 summer my body is on fire inside - One day I was driving- I saw a water machine
 and I have a quarter - Oh yes, as I start to put my head in (that's all that would fit)
 I saw a C.H.P. He had stopped and was watching me. I pointed my finger at him,
 yelled out, "Back off, leave me alone- medical reasons!" That one gallon of water
 felt so good as I pulled up my hair away from my face. He was already at my side
 with concern he said, "Ma'am, medical reasons?" I replied, "Oh, yes sir - because if
 you tried to stop me you would be needing medical - that would be the reason!" His
 concerned face quickly changed to pissed off and his hand went to his side- as if he
 was going for the pepper spray. I blurted, "Menopause!" His reaction was, "Oh you
 poor thing, my wife is going through that! Please ma'am, go down Bear Valley there
 s a 24 hour gym and they have a pool, ma'am - did you hear? Say '24 hours' " as he
 kept walking backwards to his car. Now that I look back on that day, he couldn't
 have moved any faster. I'm glad he didn't get on the radio and say oh no we have
 another one loose- bring the straitjacket and dogs to catch her!!!

So, fair warning to you men out there: You don't have to hold out a cross and throw
 holy water on us.. Ya never know when it's going to happen and for how long. So,
 short of bowing, "kiss the ring and shout out "God Save the Queen!" as you bring us
 coffee, ice water or ? Don't worry, this too shall pass. My suggestion is help out
 more round the house, or pick up a 2nd job. Good luck. As for the little sisters out
 there going through this: it is so different for every body. In the summer I kept my
 bath tub full so I can plunge myself in and cool down!

See you next week! If anyone has any tips on surviving this part of your lives - mer-
 too: I would love to hear how you made it through this! Hope you all had a good
 visual with that story!
 Until next week- Lil Sister Pamela!

P.S. Pamela's cleaning service can help you out with New Year's Eve Parties,
 Before, during and after cleanup! Make it easy! Call me 442-284-9365
