"The Stephanie Miller Show" KCAA on FM

KCAA 1050 am and 106.5 FM, the Station(s) that leave no listener behind, the Inland Empire's live and local CNBC News affiliate from San Bernardino, Ca, are pleased to announce the addition of the Stephanie Miller Show to their weekday line up, Mon-Friday at 4 pm KCAA is excited to bring you the antidote to the cookie cutter cantankerous conservative talk show hosts who spew the same content over and over again, says station manager Mark Westwood.

The Stephanie Miller show started on KCAA back in the beginning of December, and listeners are lining up to hear her sharp wit, and her whimsical sense of humor. Miller's show is not just about politics, but people and places in general. Often times she interviews not just people running for, or in office, but ordinary people doing extra ordinary things. The show with at least three of four sidekicks, also reflects on life, and finds humor in every day situations. It all adds up to lots of laughter and useful information as she gets down to the bottom of what people want to hear. It's not the same ol' bark and brag radio of today's radio from the right, it's real radio people want to hear. Stephanie has pulled #1 ratings in Los Angeles and other radio stations in New York and Chicago. Stephanie returns to the #2 radio market in Los Angeles today, and the #25 United States radio market in the Inland Empire today on the CNBC affiliate, KCAA 1050 AM and on their new 106.5 FM radio channel added just two months ago. 106.5 FM beams from an antenna in the San Bernardino, just outside the city of Yucaipa. You know her from tons of exposure on TV, and on comedy's prime stages: host of CNBC's Equal Time, Oxygen TV's I've Got a Secret, and many others. Stephanie has also appeared on CNN's Joy Behar, Larry King Live, Reliable Sources, as well as MSNBC's The Ed Show, Hannity and Colmes, the Today Show, the Tonight Show, Good Morning America, among many others. Stephanie comes to the left, from the right. She's the daughter of William Miller, Barry Goldwater's 1964 Republican presidential running mate. Her humor and snappy political wit draws listeners from all sides and makes her the perfect antidote to cantankerous conservatives. The Stephanie Miller Show is produced by WYD Media Management and is syndicated by Westwood One, the nation's leading independent radio programming company. For more information on Stephanie's show please go to www.stephaniemiller.com You can also hear Stephanie Miller world wide at KCAARadio.com where daily podcasts are recorded like a radio DVR, so that you can listen to Stephanie Miller anytime. Tune in for all the fun at 4 pm to the Stephanie Miller Show on KCAA 1050 AM and 106.5 FM. For more details call Mark Westwood at the contact information below. the daughter of William Miller, Barry Goldwater's 1964 Republican presidential running mate. FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well now that New Year's is behind us we can smile that 2015 is over! I did watch the Democratic Debate. The media plays "T-Ball" when asking questions. The one that grabbed me the most, was a question for Hillary. Do you think that Bill Clinton will enjoy his new position in the White House? We hear that he will not be picking the floral arrangements? She said, with a smile, "No he won't". I was able to translate the question for my readers. "Will Wild Bill, you know, Slick Willie" be deflowering any young maidens this time round? Her reply with a stiff lip. "No Pretty Young Maidens will be permitted onto the grounds with out a proper escort"! That means that she will be distracted from running the country by her never ending chase of Wild Bill and the Way Ward Maidens! Yet, the Liberals are all shouting their praise for this "Witch"! What a great leader she would be. The same media that sings her praises does nothing but bash Trump. They accuse him of being a Bully, yet they don't mind doing the bullying. What do you make of that. Everything that Trump says gets misquoted all the time. Or they pick and chose only part of what he said to make him out to be a villian. I don't really care who gets elected, as long as it is not that "Evil, Spitefull Demon"! I thought Nancy Pelosi was wicked. Hillary could give her lessons. Is everyone deaf to the lies that she creates and tells? Why is it the the media never calls her out? When she said that Trump videos were used to recrute for I.S.I.S., that was a lie. No one person in the media challenged her for some actual facts. In a face to face debate, Trump would wipe the floor with her. Then the media would rush to her rescue and say that he was out of line and was showing us just how much he should not be elected. They will defend her to the end! After all, she deserves to be the first woman President. They took that from her in 2008 when they chose the "Black Guy" over her. She was promised and now she wants that promise filled. She could care less about anyone other than her name in history books. Next week I will attack "Obamacare". I have personally witnessed just how true the warnings were from the Republicans. You will not be treated in a timely manner. You will be posponed until death takes you out of the picture! I think we should hang our heads in shame, the way we are allowing our older citizens to be treated!
