# "The Stephanie Miller Show" KCAA on FM

KCAA 1050 am and 106.5 FM, the Station(s) that leave no listener behind, the Inland Empire's live and local CNBC News affiliate from San Bernardino, Ca, are pleased to announce the addition of the Stephanie Miller Show to their weekday line up, Mon-Friday at 4 pm KCAA is excited to bring you the antidote to the cookie cutter cantankerous conservative talk show hosts who spew the same content over and over again, says station manager Mark Westwood.

The Stephanie Miller show started on KCAA back in the beginning of December, and listeners are lining up to hear her sharp wit, and her whimsical sense of humor. Miller's show is not just about politics, but people and places in general. Often times she interviews not just people running for, or in office, but ordinary people doing extra ordinary things. The show with at least three of four sidekicks, also reflects on life, and finds humor in every day situations. It all adds up to lots of laughter and useful information as she gets down to the bottom of what people want to hear. It's not the same ol' bark and brag radio of today's radio from the right, it's real radio people want to hear. Stephanie has pulled #1 ratings in Los Angeles and other radio stations in New York and Chicago. Stephanie returns to the #2 radio market in Los Angeles today, and the #25 United States radio market in the Inland Empire today on the CNBC affiliate, KCAA 1050 AM and on their new 106.5 FM radio channel added just two months ago. 106.5 FM beams from an antenna in the San Bernardino, just outside the city of Yucaipa. You know her from tons of exposure on TV, and on comedy's prime stages: host of CNBC's Equal Time, Oxygen TV's I've Got a Secret, and many others. Stephanie has also appeared on CNN's Joy Behar, Larry King Live, Reliable Sources, as well as MSNBC's The Ed Show, Hannity and Colmes, the Today Show, the Tonight Show, Good Morning America, among many others. Stephanie comes to the left, from the right. She's the daughter of William Miller, Barry Goldwater's 1964 Republican presidential running mate. Her humor and snappy political wit draws listeners from all sides and makes her the perfect antidote to cantankerous conservatives. The Stephanie Miller Show is produced by WYD Media Management and is syndicated by Westwood One, the nation's leading independent radio programming company. For more information on Stephanie's show please go to [www.stephaniemiller.com](http://www.stephaniemiller.com) You can also hear Stephanie Miller world wide at [KCAARadio.com](http://KCAARadio.com) where daily podcasts are recorded like a radio DVR, so that you can listen to Stephanie Miller anytime. Tune in for all the fun at 4 pm to the Stephanie Miller Show on KCAA 1050 AM and 106.5 FM. For more details call Mark Westwood at the contact information below. the daughter of William Miller, Barry Goldwater's 1964 Republican presidential running mate. **FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

Hello! Just wanted to forward a couple of quotes from Colleen and Cindy W. at Stater Bros. at Navajo and Bear Valley. Colleen says "Everything is good" and "Someone will win the Billion Dollars this week!" Cindy said "She knows that who ever wins will share with the people that they promised to before getting the ticket!" "Will you remember that promise when you cash the ticket?" As she looked me in the eye! Now on to the business at hand. Trump is slammed over and over for his point of view. Clinton is still standing firm that her husband "Slick Willie" is being accused of sexual assaults that never happened. Cruz is hoping to narrow the gap. Ammon Bundy is standing his ground against the Federal Government who owns approximately 52% of the land in Oregon. None of the media gets the fact the in 1988 the last homestead claim was awarded in Alaska. This Act was repealed by Pres. Jimmy "The Peanut Peddler" Carter. That is the point where the Federal Government took ownership of "Public Lands". The greed that the government has exceeds that of Bernie Maddoff. We have become so numb to the corruption, we do not challenge it. We are so busy trying to convince ourselves that the job market has improved. It is said to be an all time low! 5%, wow that is great! Not really, when the fact of the matter is the jobs that have been created these last 8 years are "CRAP"! They are low level jobs with no security. The "Holiday Season's Sales" were so low that many of the large retailers are already cutting job positions. We are buying in to the lie. On Tuesday, Obama addresses the nation for the final time. I really am glad to see him go. He has been such a joke. He want to jet around the world like "Royalty". His only claim to fame in the history books will be, he is the first "Black President". Everything else will only be footnote after footnote on his failure to gather and lead a nation. Soon the field will narrow to the final choice to lead us into the next 4 years. Anything on the planet would be better than Hillary Clinton. This is not the woman to hold the highest office in the country. She should be behind bars. She should hang her head in shame over the outrageous behavior of "Slick Willie". Is this the right person for the job? The answer is yes if you want to see the end of our powerful, independent, free society. Trump may not be the ideal choice, but you have to agree that he is not afraid to speak his mind!
