TREVOR'S HAPPY HOUR

WITH LYLE FENIMORE

EVERY FRIDAY 3-4pm www.kcaaradio.com

Next Friday March 12th, 2016 on Trevor's Happy Hour with Lyle Fenimore from 3-4pm PST our guest will be Adam Shell promoting his New Film "Pursuing Happiness" Americans spend billions of dollars a year trying to get happy – but what is the secret to actually finding happiness? How do America's most positive people actually fulfill the "pursuit of happiness" that is promised to us as a right? Documentarian Adam Shell ("Put the Camera on Me" and "Finding Kraftland") wanted to find the answer – so he asked. And the response is the compelling, joyous, and provocative documentary "Pursuing Happiness." Made over the course of two years – with crowdfunding and social media as the source for both the production budget and the film's content – the film follows Shell and producer Nicholas Kraft across the country where they talk to remarkable people who radiate genuine happiness. Every story shows a different struggle and a different triumph as artists, public servants, parents, and dreamers show the world what makes them happy – and how that happiness has a remarkable impact on the people and communities that surround them. With testimony from experts in the field of mindfulness, psychology, art, sociology, religion, and cultural studies, "Pursuing Happiness" is a crash course in what makes us our best, and the film has brought Shell into contact with the growing worldwide "happiness movement." With successful screenings at several film festivals (which lead to an appearance for Shell at the United Nations and on "The Today Show"), the film will be released in select theatres this spring and on demand and streaming services throughout 2016. You can listen online at trevorshappyhour.com and join us in the chatroom or call in to the show live at 702-430-1808.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 A Marine Corps. Vet was removed from a town hall meeting, with "Slick Willie Clinton", by the police for asking about the lie that Hillary told the nation and the families of the 4 dead Americans killed in Benghazi. When he challenged "Slick Willie" over Hillary's lie, the crowd of bottom feeders had the nerve to BOO him! Is that the type of treatment that the Clinton's approve of toward our troops? There was also a woman in the crowd who challenged "Slick Willie" about the lies Hillary told the families at the airport when the coffins were on the tarmac. The police, at "Slick Willie's" direction, quickly removed this woman from the meeting. Is that the type of President we really want to elect? These "Bastards" have the nerve to say that Trump would destroy our nation? Are these fools and their backers on "CRACK"? The media, corrupt puppets that they are, did not mention this outrageous behavior at all. Yet they go after Trump to implant controversy to bring him down. Barbara Boxer, (in the 1980 was referred to as Barbara Bouncer for the fact that she wrote bad checks regularly) is endorsing her candidate Hillary. Are you sleeping out there? Boxer should have been thrown out of office years ago. This woman is an insult to women everywhere! They media keeps saying that in a head to head stand off between Trump and Clinton, Trump would lose. That I really doubt. The media fears Trump. They know that Americans are tired and angry over the fact of failed representation in Washington, D. C.. We need to stand up and send the "Jerks" a message. We are tired of the FREE RIDE that politicians have promised to win elections. The working class is always getting screwed out of their earnings. Another example of in your face failure is Jerry Brown. This ASS has released 2500 convicted murderers that were serving life in prison. The reasoning behind this move is ridiculous! It is called the forgiveness program. Since prison and no death sentence is not a deterrent from crime, maybe forgiveness will reform potential future criminals. If we allow this type of CRAP to continue, we will without a doubt, see an increase in crime and personal attacks on the everyday citizen. You are being made a target by the people you have put your trust in to keep you, and your family, safe. When will the madness end? If we don't get back on track this election, we will not have to worry about any election in 2020! We will be just another footnote in world history! Call Me! or email: editornickelshopper@aol.com *I would like to hear your thoughts 760-298-0902*
