TREVOR'S HAPPY HOUR

WITH LYLE FENIMORE

EVERY FRIDAY 3-4pm www.kcaaradio.com

Next Friday March 11th, 2016 on Trevor's Happy Hour with Lyle Fenimore from 3-4pm PST our guest will be Adam Shell promoting his New Film "Pursuing Happiness" Americans spend billions of dollars a year trying to get happy – but what is the secret to actually finding happiness? How do America's most positive people actually fulfill the "pursuit of happiness" that is promised to us as a right? Documentarian Adam Shell ("Put the Camera on Me" and "Finding Kraftland") wanted to find the answer – so he asked. And the response is the compelling, joyous, and provocative documentary "Pursuing Happiness." Made over the course of two years – with crowdfunding and social media as the source for both the production budget and the film's content – the film follows Shell and producer Nicholas Kraft across the country where they talk to remarkable people who radiate genuine happiness. Every story shows a different struggle and a different triumph as artists, public servants, parents, and dreamers show the world what makes them happy – and how that happiness has a remarkable impact on the people and communities that surround them. With testimony from experts in the field of mindfulness, psychology, art, sociology, religion, and cultural studies, "Pursuing Happiness" is a crash course in what makes us our best, and the film has brought Shell into contact with the growing worldwide "happiness movement." With successful screenings at several film festivals (which lead to an appearance for Shell at the United Nations and on "The Today Show"), the film will be released in select theatres this spring and on demand and streaming services throughout 2016. You can listen online at trevorshappyhour.com and join us in the chatroom or call in to the show live at 702-430-1808.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 After the "Super Tuesday" results were in, on HLN or CNN the next morning a Senator appeared denouncing Trump! I did not catch his name, but he is a Republican. He was indignant when the News Anchor asked the question about Trump being the next candidate for the Republican Party. This official, whom the people elected, stated flat out. Trump will not be the candidate of the Republican Party, we don't care who the people voted for. We will put in the nominee of our choice. The people don't have any idea what is good for them! I could not believe that this pompous ass could be so in your face about defying the will of the people. Many years ago, I wrote an editorial about this attitude in our Government. Now that they have the American Indians in line, it is time to get the rest of us to agree to the fact that we are like "Backward Children" who must have someone smarter to make our choices for us. As soon as I can come up with his name, I want to see about getting a petition started for his recall. Trump, not really the ideal candidate, has the media, Republican and Democratic Parties running scared. They know if he gets elected the "FREE RIDE" ends! We have been screwed over and over again by every level of Government. City, County, State and Federal are all guilty of corruption and illegal back door, late night private deals that we are never allowed to know about or approve. These individuals, of questionable morals, feel that they need to remove Trump. They will put pressure on the delegates that were to stand with Trump, to change there vote to anyone else that the Party backs. Our system has been rigged for many decades. It is not a nation run, by the people, of the people, or for the people! Bush is out of the scene, thank God! We don't need another Clinton. We don't need any more of the "Tin God Syndrome" that seems to hold our future in evil hands. We are losing ground daily. As it currently stands, if we don't act quickly, we will see more of our dreams flushed down the toilet. We are afraid to take a stand, because we don't want our neighbors talking about us behind our backs. Yes, Trump is bigger than life, he has the nerve to stand up and say what most of us think. The system will do anything it can to take him down. I would not be suprised if they try to assassinate him. They will stoop to dark evil methods to take this brash, outspoken American down!
