I hear that they are going to recall Josh Newman! The voters are pissed over the new gas taxes and car fees!

We have that handled! We are rewriting the rules and regulations for recalls and making it retroactive. Voters are stupid and blind!

How do you spell corrupt? Kalifornia!

Pamela's World! Hello my friends,
Hello Friends,
I'm always asked, "what's your sign?"
My reply would be "slippery when wet!"
My other would be "Men at work!" My
birthday is November 13, 1961, Scorpio.
When I was 8 years old I was bitten by
a Scorpion. I just looked at my mom
and said "It's okay mama I'll be alright,
I'm a Scorpio! Luckily I was fine! Kids
always say the cutest things! One time
I was at Mc Donalds with my young son
and he saw the words FREE Wi-Fi.
When we got home he ran in the house
and shouts to his brother "They have
free wives at Mc Donalds!" I said "wow
that was a happy meal!" His brother
replied "there's no such thing as a free
wife!" I then asked my son "why do you
think it says free wife?" He replied,
"everyone knows the second vowel is
silent!" "Duh!" How cute! Until next
week, you can do whatever you put
your mind to! Dream big and make it
happen! Lil Sista

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

It doesn't seem to matter if you are talking about the Democrats in Washington, D.C., or California, the corruption of this party is off the charts. The new taxes on gasoline and additional fees on car registration are opposed by almost 60% of the citizens in California. There is a push on for a recall for a new elected official named Josh Newman. Brown and the rest of the ASS CLOWNS are writing a new law that will be retroactive. This new law is designed to hinder the process of recalls. California is trying hard to come up with new ways to scheme and steal your hard earned money. They have no shame. When Brown's term is up, the two names that seem to be in the lead for the next governor are Tony Villar and Gaven Newsome. Both names are recognizable. Both individuals are a MOTHER FLIPPING JOKE! If either gets elected, you can bet that you are going to be hit harder for additional taxes. You need to get your heads out of your SNOW-FLAKE ASS and get in touch with reality. It is bad enough as is. We can't keep spending two and three times to get the job done once. The math is bad. You have to remember that politicians make a really good paycheck. They are never short come the end of the month. They expect you to bite the bullet and dig deep in your pocket and fork over time and time again. The biggest issue in this country is the swamp is not only in Washington, D.C.. The left is gearing up to push the impeachment issue beyond reason. These Left wing idiots have no message. They have only one agenda. Remove Trump from office, even if it means the collapse of the nation. They don't care about you or your family. Why do you think Obama was able to get away with treason? Why do you think Eric Holder was able to hide the facts of the Fast and Furious investigation from not only the family of the slain Border Patrol Agent? He is another one who needs to account for his actions!
