Pamela's World! Hello my friends,

How is everyone getting along in this Summer heat? Cut back on caffeine and try to eat a good breakfast. If you can, carry a cooler with you with several waters in your vehicle. Fruits are excellent to have as well. Cool fruit tastes great and is so refreshing. My mother would let us choose our fruit. I would choose watermelon, my sister kiwi and my brother would choose grapes! Regardless of season, we would always have fruit. She would say "people don't check to see if beer cookies or cigarettes are in season!" Super size your pets water dishes!! School is out and kids need things to keep them occupied. Create a way to make yard work fun. Play music if you can! Try to involve everyone! Make a game of it. Try to see who can pick up the most debris, play fun word games while your at work or I should say having fun. Kids help your grandparents! Now is the time for everyone to work together! Have a happy 4th of July!
 Til next week, Sista

California Government at it's best! The fire in Holcomb Valley, at 800 acres. Then they finally brought in the big water dropping plane! Why in the world don't these morons bring in the big guns while it is still a 50 or even 100 acres? The direct our fire fighters like they run the government in this state. Curly, Larry and Moe would have done a better job. Get your heads out of your asses people, Brown needs to be recalled and most of the assembly and state senate!

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well people, the 4th of July is only a few days away! From our humble origins, we have made great progress with our beliefs for over 200 years. The sadness of the current affairs should not distract us from celebrating the birth of our nation. It is easy to get caught up in all the lies, hatred and deception that is Washington. The left was so sure that Clinton would win the election that Obama himself did nothing about the Russian interference in our election process. Take a moment and look at the facts. Clinton's uranium deal that gave 20% ownership to Russia. Bill Clinton doubles the amount he charges to give lectures in Moscow. The millions that were channeled to the Clinton Foundation after the uranium deal. Obama during his 2012 reelection effort caught on tape telling a Russian to pass the word on to Putin to be patient that after he is reelected he will have more ability to give Putin a free pass. I think that the actions of Mueller, Comey, Obama, Lynch and the mess over the servers of Hillary's is about to reach a boil. There is a bi-partisan effort now to investigate everyone of the above mentioned parties. I personally am looking forward to all of them being arrested and going away for a long, long time. Most of all, I am looking forward to Obama making history again. The man who was elected as the first Black, two term President, being charged with corruption, pay to play, collusion with the Russians. Obama is long overdue on being brought down about 10 pegs. His arrogant attitude about Donald Sterling needing to loose everything and be made an example of what will happen to Old White Men who piss off Obama. Obama pissed away our hard earned tax dollars jet setting around the country and the world. If he had work half as hard in helping everyday American citizens, we would have hailed him a hero. Now, he will just go down in history as a racist who got burned by himself!
