Pamela's World! Hello my friends,

Hello my friends, actually truth be told I'm not sure how many I have left? This heat is brutal & I'm not very pleasant to be around, I know for fact that I sweat & I don't GLISTEN! Ever since having a heat stroke, the summer heat & sun are becoming more intense on my skin . so besides sun block, I have to change my clothes. So i put the daisy dukes & thongs away & were lighter colors , long sleeves & a sexy hat, lets not forget the sunglasses & WATER !! then can go out. Mother nature will always win !! There is a God ,& your not it ! If your going to Pray.. why Worry....& If your going to Worry why ..PRAY! When a problem hits you. Please i said - PLEASE- let it go. I believe I can start my day over any time i need to. Prayers help ! hand it over, Let it go. GOD doesn't need or want your help. No matter what ever it is. Never how small,big, or many of them that life throws at you Throw it back. Stress is Ugly & it's not a good look. I know it won't be easy for some of you who like to hang on & let EVERY body know your bag of shit but at least try ,for the sake of your loved ones stress can age ya & even kill you. I enjoy meeting so many of you. My Goal is to help you laugh, smile& leave you with positive mess. about what ever you are going through ! celebrate, laugh, sing, draw, swim or what ever your passionate about !!

Trevor's Happy Hour

New guests weekly!

THIS FRIDAY 7/14 on Trevor's Happy Hour from Arizona at 9pm pst.... my question is does anyone that reads the Nickel Shopper even care who I am? I mean come on I have been in here for 2+ years thanks to Carl Kerns and NOBODY BUT NOBODY calls me ??? My cell phone is 714 986 4346 and my e-mail address is tgarnerkcaa@aol.com..... If I don't receive one organic call from a Nickel Shopper Reader and an new advertiser in the next week I am going to question the High Desert because you are not paying attention. This is my topic on Friday 7/14 on KFNX1100 AM in Phoenix, AZ.... I am tired of the High Desert being LAZY SNOWFLAKES with regard to Trevor's Happy Hour..... listen live at www.1100kfnx.com and call the show and talk to Carl from The Nickel Shopper, Irving the Indian Boy, Zomby and the crew . You can also listen live and chat at trevorshappyhour.com. I am ashamed of everyone that reads this post and doesn't make an effort to call. !!!

California Government at it's best! The Bay Area Rapid Transit is refusing to release video of passengers being attacked and robbed. They don't want to do this because minorities are committing these crimes. Can you believe that? Are you kidding me? I hear all the crap about minorities being singled out and picked on by law enforcement. Well, if you don't want to be picked on, quit breaking the law! We have lost all our marbles and guts! Every pervert out there has a sad song to sing, a mom who didn't hug him and a neighbor who got him hooked on booze and drugs! Well Sunshine, take responsibility for your life and get over it!

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

I'm not sure what to think most of the time? The media keeps saying that they are fair in their treatment of Trump. No matter what he does, they pick it apart. His daughter sat in on the G20 for him and the Liberal Media lost their minds. And, yes Trump was right when he said if Chelsea Clinton were asked by Hillary, nothing would be said. Chelsea Clinton and the media fired back that this would not have happened. That is a load of crap. Chelsea Clinton is a perverted child, raised by an evil woman for a mother and a whore hopping father. She is in fact the perfect person to get into politics. She knows how to play the game. She knows how to milk the perversion that has been slowly destroying our country. It seems that anyone who has good morals and values, are now the enemy! These are the people that are being punished left and right for having true family values. You want to make a name and have a strong following on the left? It is simple! All you have to do is lash out at anyone who has morals. Lash out at anyone who has raised a good family! Lash out at the men and women in the military and law enforcement and your future in politics is guaranteed success! Black lives has pushed for cops to get murdered. The corrupt left feel that the Black Lives Movement has every right to push people to kill cops. Are you kidding me? You have Mayor De Blasio of New York City over in Europe supporting the protestors, I call them rioters and terrorists, and speaking out against the U. S. and Trump. Am I the only one who thinks that there are many people in office right now that are preaching and committing treason? I think that it is high time for the bastards to start getting arrested under the Patriot Act! You know the Patriot Act that Bush put in place to stop terrorists! Well, these bastards are terrorist and need to be arrested and put on trial then executed!
