Pamela's World! Hello my friends,

Cowboy Sayings and Wisdom

You don't have to be a cowboy to appreciate the following quotes and wisdom, adapted from the website www.cowboy.com

Never approach a bull from the front, a horse from the rear, or a fool from any direction. Don't squat with your spurs on. Don't judge people by their relatives. Behind every successful rancher is a wife who works in town. When you lose don't lose the lesson.

Talk slowly, think quickly. Remember that silence is sometimes the best answer. Live a good, honorable life. Then when you get older and think back, you'll enjoy it a second time. Don't interfere with something that ain't botherin' you none. It's better to be a has-been than a never-was. The best way to eat crow is while it's still warm. The colder it gets the harder it is to swallow.

If you find yourself in a hole, the first thing to do is to stop diggin'. If it don't seem like it's worth it, it probably ain't. The biggest troublemaker you'll probably ever have to deal with watches you shave his face in the mirror every morning. Never ask a barber if you need a haircut. Always drink upstream from the herd.

Generally, you ain't learnin' nothin' if your mouth's a jawin'. Tellin' a man to get lost and makin' him do it are two entirely different propositions. If you're ridin' ahead of the herd, take a look back every now and then to make sure it's still with ya. When you're throwin your weight around, be ready to have it thrown by somebody else. Lettin' the cat outa the bag is a whole lot easier than puttin' it back. You can't tell how good a man or watermelon is 'til they get thumped (Character shows up best when tested) Never miss a good chance to shut up.

 THIS FRIDAY 7/28 on Trevor's Happy Hour from Phoenix, Arizona at 9pm pst.... my question is does anyone that reads the Nickel Shopper even care who I am? I mean come on I have been in here for 2+ years thanks to Carl Kerns and NOBODY BUT NOBODY calls me ??? My cell phone is 714 986 4346 and my e-mail address is tgarnerkcaa@aol.com..... If I don't receive one organic call from a Nickel Shopper Reader and an new advertiser in the next week I am going to question the High Desert because you are not paying attention. This is my topic on Friday 7/14 on KFNX1100 AM in Phoenix, AZ.... You can also listen live and chat at trevorshappyhour.com. I am ashamed of everyone that reads this post and doesn't make an effort to call. !!!

San Bernardino County Government at it's best!
 For those of you who were not aware of the fire on Sunday in Lucerne Valley here is a photo taken from Hwy. 18. The area that burned was more or less 30 acres. The fire seemed to have been burning for a while before the fire trucks arrived. This time the powers that be did the smart thing. The water dropping helicopters were brought in. At that it still took a while to get the flames under control. In recent years there have been fires in the area of the foothills, so the brush and grass was basically the new growth from the past winter. Thank God we caught a brake.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Anthony Scaramucci, a new name in the game!! Scaramucci is the gentleman who hit back hard on CNN for their news article that was aired and was also totally false! Three individuals lost their jobs over this one. I guess you have to stick to the lies that are told about Donald Trump. There is so much better things to do than waste millions of dollars of taxpayer money on searching to fine the THERE THERE! Schumer, Pelosi and the rest of the gang need to be taken out behind the barn and given religion the old fashion Texas way! As of late, I have had a few debates with losers on the left that have nothing better to do than keep the lies about our President circulating. When challenged about Obama and his statement "If you like your policy, you can keep it!" "If you like your doctor, you can keep him!" Pelosi, acting like a school girl on crack about to get lucky at the prom, said "We have to vote this bill in to see what's in it!" Am I the only one who is having a hard time with any of this? Rosie O'Donnell is raising her butt ugly head once again to see if she can get enough things stirred up to reactivate her failed career! I wish all the individuals who said if Trump won they would move, would move! The world is going crazy. Canada just paid \$8 million dollars to a terrorist who was held at "Club Gitmo"! They paid him this money because they felt that since he was a Canadian Citizen he should have been treated better. This bastard Muslim terrorist killed one soldier and blinded a second. I never much cared for our neighbors to the North. These socialist bastards are why we never want our country overrun with socialism. Talk about a bunch of limp penis loser's! They quit raising men in Canada after World War II. I have many relatives in Canada, that is why I am so glad that I was raised in the United States of America! I served in the service and I am glad that I did. You are welcome!!!
