I can't believe that it has been 16 years since the attack on the twin towers. The loss of life in one sad moment.

We have to stay vigilant. There are still factions out there that would attack us again. Thank God for Trump!

Pamela's World! Hello my friends,

So we all know how the Friday night traffic can be, I went to Loma Linda to pick up a friend. Traffic was terrible, stuck in between car, with no where to go. I got home extremely late and in real need to decompress badly I go to the middle of the desert to dance like no ones watching.. Shortly after I arrived I'm dancing my heart out, when I realize that the police have pulled up behind me with lights on. They come up to me start talking to me asking me what I'm doing out here w/ the music loud Parked in the middle of the rd... Well sir I was dancing, and here I am in the middle of summer wearing a snow suit at 2 am. in the morning & I'm going thru menopause..I'm too hot or too cold I love being sober ! They were extremely polite and they went thru my car a little bit every thing from being at the Las Vegas hospital for my son's car accident & then off to Loma Linda.

I dont care for CA. Freeways The officer asked me "Maam" Do you live in your car? Well i spend a lot of time in it! Just a little shout out to the Apple Valley Police Department, thanks for being kind and respectful in my delicate situation.. I thank you the nickle shopper thanks you, for not taking me in 5150.. The incident happened at about 2 a.m. Saturday morning off of Del Oro and Kiawa at the dirt road.. Sorry neighbors I wasnt having a seizure..

I'd love to have a meet and greet with these two fine officers.. So the other day I was checking out in the grocery store with a gentleman standing in front of me, hes with his grand children you can tell.. The man buys his grandson some chocalate ice cream with strawberrys and when the cashier ran it thru the little boy looks an the man and says "OH papa you bought that for me I love you, I think I'm going to keep you papa".

P.S. Pamela's cleaning service cell phone is out.
You can reach me on the office phone 760-503-1582

HELPING IN THE TEXAS FLOOD RELIEF?

15 DIE IN HEPATITIS OUTBREAK IN SAN DIAGO.
 There is so much human waste on the streets from illegals and homeless individuals that there is a serious risk for everyone in San Diago. Yet with all the politicians pushing for sanctuary cities, they never tell you the health issues involved. The politicians don't care about your health or the health of your family. They only care about sucking up to scum, fight Trump, and waste as much of your hard earned dollars as they can.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Sixteen years ago, I remember drinking my cup of coffee and watching the morning news. All of a sudden they did a special news break. They said a passenger plane had hit the north tower. As they went live shot to the tower, within minutes the second plane crashed into the south tower. I watched with disbelief. Within what seemed to be only a few minutes the south tower started to fall. A few moments later the north tower followed. The first plane I thought could be an accident, when the second plane hit I knew we were under attack. Our nation and our lives were changed forever. Bush was in the White House. As far as I'm concerned that wasn't a plus. We were off balance and bewildered. During the next few weeks, Americans were kind to one another. Then as the shock wore off, we started to revert slowly back to our old ways and habits. It is a shame that we allowed this to happen. Then as always, the government started making up new rules and laws for us to live by. We lost many of our freedoms and rights on that day and the weeks to follow. The Patriot Act was one of them. We were taken advantage of when Bush announced his deal with big oil. The Oil Companies agreed to reduce the price of regular gasoline from \$1.86 per gallon to \$.99 cents. The cover story was to ease the pain, suffering and shock of the American People. Actually, it opened the door for the oil companies to screw us at the pump during Bush's second term. If the price of gasoline had jumped that high during his first term, he would not have been in a second term. Then we were given Obama. What else need be said? Just another bottom feeding, liar and ass clown to take the place of the previous ass clown. God bless the individuals that were lost on that day. But, never forget how we got screwed by our own people everyday since!
