The Nickel Shopper! Bus. Opp.

Pamela's World! Hello my friends,

Today I was driving in Apple Valley, I hit 2 pot holes on the same block. After I caught my breath, I pulled over & stopped, got out to check my tires, front end & of course myself, good news. I did not shift myself & the car is ok! I would like to take the Mayor / city council on a road trip. We can use their vehicles. Lets call this game "Show & tell" I'll show you the roads & You tell me - When your going to fix it! The people are tired of excuses!

Talk is cheap lets see some action. WHO IS WATCHING WHO? I would say The government is stepping on each other, passing the buck. lot of folks say the government is full of crooks. I'm confused why was the Mafia called "Organized crime" When our government is pretty much still doing the same thing. I think it's more like unorganized crime!

Who thought it was a good idea, to spend \$ Millions of dollars on a bridge that still takes you to Bear Valley. I thought the idea was to avoid any more problems. That money would have fixed & repaired So many streets. WHO IS WATCHING WHO? Here's a little humor. by a 10 yr. old Do you know how to make holy water? You boil the Hell out of it! Don't forget to laugh, it's great for the soul until next week.

LOL little sis Pamela

It is working, now the idiots are rejecting the National Anthem! It won't be long till we have them removing the American Flag!

I keep thinking that this move will come back to bite us in the ass! Are you sure we can pull it off? Maybe we should rethink this one?

When your national anthem is now offensive, you're in trouble.

What Happened?

We're Not Stupid!

Team members kneeling during national anthem
 Many individuals are getting on board with Colin Kaepernick's protest. Just remember what happened to him could happen to you! I agree there are racial issues in this country that have been on the rise ever since Obama was elected. So just keep in mind to disrespect our national anthem is not going to endear you to the majority of the American Citizens. Your rating are dropping and your bosses will change their minds when attendance drops!

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

I guess the snowflake syndrome is contagious! Started with Colin Kaepernick is now infecting other members in the world of professional sports. I mean, after all, these individuals really have a rough tough life! They make a minimum of \$2,000,000.00. They, for whatever reason, are treated like royalty. They have the world by the ass and that's not good enough for them. These individuals regardless of color deserved to be chastised by our President. I personally am not a sports fan. Trump got it right, "These Son's of Bitches" need a boot right up the ass.

There was one player, by the name of Alejandro Villanueva, a former Army Ranger who did 3 tours in Afghanistan stood proud with his hand over his heart. Now this man is an example of what a real man behave like. The rest of these PUSSY"S can sit on the bench, or better yet, sit out the rest of the season at home. Our nation has issues, and on that note I fully agree. Obama, Holder and Lynch brought back racism hard and heavy. Obama's true legacy was to punish "Whitey" every chance he had. It was very apparent when he went on Television and called out Donald Sterling. He was determined to see this man lose everything he had. Obama is still pulling strings behind the scenes. This man and his crew have betrayed the American Citizens on every count. The Liberal Media never called him out. If you call out a Black Politician on his policy, you will be label a racist. Another joke, Camel Face Harris from California. When she was elected Attorney General of California stated after the win. "Just because I was selected A.G. doesn't mean I have to give up my personal convictions!" That is true! But, you self righteous joke, you do need to enforce the letter of the law that you swore to uphold. Can you imagine this imbecile is possibly planing to run for President in 2020? The country would not survive under another joke like Obama! We can't be that stupid?
