**Pamela's World!** Hello my friends,  
Today I was driving in Apple Valley, I hit 2 pot holes on the same block. After I caught my breath, I pulled over & stopped, got out to check my tires, front end & of course myself, good news. I did not shift myself & the car is ok! I would like to take the Mayor / city council on a road trip. We can use their vehicles. Lets call this game "Show & tell" I'll show you the roads & You tell me - When your going to fix it! The people are tired of excuses! Talk is cheap lets see some action. WHO IS WATCHING WHO? I would say The government is stepping on each other, passing the buck. lot of folks say the government is full of crooks. I'm confused why was the Mafia called " Organized crime" When our government is pretty much still doing the same thing. I think it's more like unorganized crime! Who thought it was a good idea, to spend \$ Millions of dollars on a bridge that still takes you to Bear Valley. I thought the idea was to avoid any more problems. That money would have fixed & repaired So many streets. WHO IS WATCHING WHO? Here's a little humor. by a 10 yr. old Do you know how to make holy water? You boil the Hell out of it! Don't forget to laugh, it's great for the soul until next week.  
LOL little sis Pamela

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

This week the editorial will be simple.

It would be great if everyone would pay respect to one another because of the shootings in Las Vegas.

Our nation needs to pull together and unite as we have in the past. We need to give respect to one another.

We can have our differences without physical attacks.

We can put our foot down and demand that the violators of our laws be held accountable.

We can tell the media and the politicians enough is enough. Unite or be replaced with team players regardless of party. Do the job you were elected to do, remember that you are not leaders. You are representatives of the people who voted you in to office.

You can be replaced. Nothing is in stone that you have more rights than the next person. Your rights stop at the next persons nose.

Treat people like you would like to be treated. Respect is a two way street. No one or no group should have special rules that apply only to a few and not all.

Our history has been about fair and equal treatment. From time to time that has been violated. There are issues that need to be addressed. We are not perfect, but we are still the best country in the world to live in.

United we succeed, divided we are Europe.  
Don't become part of their failed system.
