Pamela's World! Hello my friends,
If you are stuck in a rut, feeling hopeless, alone, tired most of the time & bored at the end of the day? No I'm no doctor and won't prescribe prescriptions. I'm not against them, I encourage you to drink more water, eat better. Let's have fun inventing to get outside, keep an open mind and try something different... Dance, ride bikes, walk, hike with me. I dance all hours of the day to straighten my muscles, I've had a knee replacement and have put on a pound or two.. some days I feel like Stevie Nick's and other days Rosanne Barr Lady's will retain water, that's my story.. I weigh less than some and more than others. So some of you may have seen my lil red Toyota pulled over music loud and I am dancing..1 24 hour gym side of the river bed 2 Cadillac ranch and 3 deep Creek and rock springs road 7 am stop join me and look at the many unique gifts I also make like property puzzles and Pamela's prosperity potions.
Thanks
Little Sis Pamela

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

As the year is coming to an end, it just get's funnier! Tony Villar and Gavin Newsom are running for Governor of California. Both of these snowflakes look like the inside of an empty manure sack! If the liberals in this state don't get their heads out of their asses, this state is going to go broke in the next year to 18 months. It is already in a spiral and probably will not make it financially another 10 years. This week Brown put the California DACA law in place. This is to insure that the children of illegal alien's will have the money to go to college! Your child can kiss Governor Brown's ass as far as funds for him to go to college! The amount of crap that they shovel to you on a daily basis and you say nothing makes me laugh harder and harder. Now to bring into the game is a hard hitting, no nonsense candidate. His MMA name is Maverick Von Haug! I know him personally and I think that if this man is allowed to debate the two ASS CLOWNS, Villar and Newsom it will definitely get very interesting and colorful! At this point I don't know much about his points that he will run on. I do know that Maverick is a straight shooter. I feel that he should be taken seriously. To under estimate him by Villar and Newsom is a big mistake. I have personally heard him speaking publically and he is very polished. He has a big and generous heart. He truly cares about people and their needs. However, Maverick is a frugal individual and knows how to stretch a dollar. I hope that you will support his run, and at least hear him out. If you like the same old blow smoke up your ass politicians vote for Newsom or Villar. If you want true change in Sacramento, Maverick is the man for the job! We have had it with all the ass kissers that lie and cheat the public. The reason most individuals get into politics is to walk away with a fortune at the taxpayers expense! I think Maverick is the Dark Horse worth betting on in this race!
