## Pamela's World!

Hello my Friend,

I enjoy sharing my stories with you, so ride along, use your imagination since you don't know what I look like...Some days I feel like Stevie Nicks, and others I feel like Roseanne Barr. When I left Lake Havasu, AZ I was going through menopause (Not nice - it was 115 degrees outside, and my body was 125 inside. My Ex made the fatal mistake of saying, "A wife's place is in the kitchen," didn't he realize that's where I keep the knives?! And then again, it was "my place to have dinner on the table at 5:30." I just looked at him- you know that look head tilts to the side, eyebrows seem to have grown into the unibrow - without words you have now been given a stare that can melt ice and make grown men cry -- it works! It really does! Been with someone for soooo many years, and now he tries a stunt like that? Hm I think it is men go through "man-o-pause! (Anyone who knows me, knows!) When the smoke alarm goes off, Mom's cooking and go to the table. ( I do make an awesome salad -lol- Back to my story...It was time to leave and go back to California and hang out with my mom. But I'm not unkind, I left him w/some of my very good friends, Sara Lee and Marie Callendar! If he times it right, Freezer, Microwave on the table. By 5:30 He'll be having dinner! My other friends are hanging around too Betty Crocker, Little Debbie and "Ain't your mama." (otherwise known as Aunt Jemima- now to think about it, that's a whole other story.. the mind!)

So, when I moved bak I was driving, looking for water - Deep Creek always had water, and being in Lake Havasu City I had plenty of water- the Colorado River flowed right by in front of my house, and I could swim and cool down. So in the summer my body is on fire inside - One day I was driving- I saw a water machine and I have a quarter - Oh yes, as I start to put my head in (that's all that would fit) I saw a C.H.P. He had stopped and was watching me. I pointed my finger at him, yelled out, "Back off, leave me alone- medical reasons!" That one gallon of water felt so good as I pulled up my hair away from my face. He was already at my side with concern he said, "Ma'am, medical reasons?" I replied, "Oh, yes sir - because if you tried to stop me you would be needing medical - that would be the reason!" His concerned face quickly changed to pissed off and his hand went to his side- as if he was going for the pepper spray. I blurted, "Menopause!" His reaction was, "Oh you poor thing, my wife is going through that! Please ma'am, go down Bear Valley there's a 24 hour gym and they have a pool, ma'am - did you hear? Say '24 hours' " as he kept walking backwards to his car. Now that I look back on that day, he couldn't have moved any faster. I'm glad he didn't get on the radio and say oh no we have another one loose- bring the straitjacket and dogs to catch her!!!

So, fair warning to you men out there: You don't have to hold out a cross and throw holy water on us.. Ya never know when it's going to happen and for how long. So, short of bowing, "kiss the ring and shout out "God Save the Queen!" as you bring us coffee, ice water or ? Don't worry, this too shall pass. My suggestion is help out more round the house, or pick up a 2nd job. Good luck. As for the little sisters out there going through this: it is so different for every body. In the summer I kept my bath tub full so I can plunge myself in and cool down!

See you next week! If anyone has any tips on surviving this part of your lives - mention it: I would love to hear how you made it through this! Hope you all had a good visual with that story!  
Until next week- Lil Sister Pamela!

P.S. Pamela's cleaning service can help you out with New Year's Eve Parties, Before, during and after cleanup! Make it easy! Call me 442-284-9365

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

The year is near it's end. It has been one hell of a ride! The Left is still spinning, not knowing which way is up. The man who was said had less than a 1% chance of getting his parties nomination is now our President. I can't remember back to a time that a President-Elect has stepped forward and started working 6 weeks before being sworn in. Trump, like him or not, has done more in the last month than most Presidents do in a year! In Obama's case, 8 years! Obama is doing his best to sabotage the country before leaving office. Since his legacy is on it's way out, Obama is making sure that nothing will be easy or smooth as far as transition. He is a pathetic little man! His wife is spewing hate and is spending her last days giving white people the evil eye with her hood rat friend Oprah! There is another vile bottom feeder if I have ever seen one. I know that I will get called out for that statement, but the truth is the truth. I don't like Obama because he's black. I don't like him because he is a liar, racist, hypocrite. He looks down his nose at everyone who can see his true colors! He has appointed people to Attorney General who pick and choose which laws will be enforced. He has a hatred for educated Americans of all colors! Educated people are not easy to mislead or fool with a quick smile and a line of shit! In years to come, in history books, the truth of the Obama Administration will be told. He was the first Black President, and that is where the statement will end. It is poetic that his legacy be dismantled. Starting with that joke of a health insurance program, Obamacare! I am looking forward to the day that peole will say "Obama WHO?". That is the best punishment for a person who thumbed his nose at hard working American Citizens!  
Happy New Year!!!
