Pamela's World!
 Hello my friends,
 Happy New Year, This year im challanging myself to do my own typing. i bought myself a laptop 2 mo.s ago & a very good friend has been typing it off my paper. It's not like i was lip syncing. They were & are my thought & believes. So here we go chicken pecking w/2 fingers L.O.L. My wish for Man kind is -May you find peace in your heart & you & your loved ones are in good health. that you BELIEVE in a power greater than yourself, not to give up before you can see a Miracle ! some of us have lossed a loved one & maybe X-mass just wasn't the same. I'm here to say I ABSOLUTELY BELIEVE that they are still with us cheering me on , I don't have bad days i have only moments & yes some times they are 1 right after the other !! I know i can start my day over any time of the day my thing is if its windy I face away from the wind & let it go shake it off. It's ok to scream letting that negitive energy out. & than turn around & face into the winds to absorb the energy from the winds....Then I add some music & say to myself "Thank you God " there are many ways i choose to regroup. Another one is water , Ill share the ways i haved learned through the years to have a positive attitude through the whole day . until next wk. fill free to call me with your thoughts and ideas. SOooo many of you have reached out to me & i love it you can also E-mail me at nickelshopperads@aol.com Lil Sister, Pamela

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well it is back to work after the holidays! We are getting closer to the inauguration. The bed wetter's, I mean, liberals are still trying to figure out where they went wrong? It doesn't take a rocket scientist to figure out that their candidate sucked the big one! I know that I am, let's say, irreverent in my assessment of the Democrat and Republican Parties! The citizens of our great nation have been trying for decades to get Washington to run the country like a business. Never happened, not when you can over spend and then just tell the taxpayers that they will have to just dig deeper in their pockets to cover the bills! Trump, you like him or you don't, always speaks his mind. You never have to guess at what he is thinking! The media, dumb asses that they are, are so busy trying to read behind and between the lines that they just don't get the message! This time it was loud and clear from the voters! The party has ended! You will be held accountable! Trump takes his message directly to the people, rather than go to the media. The media is upset because with Trump's message bypassing them, they can't twist his words or the meanings to play to their tune! Trump is a quick study! He went from business man to somewhat a politician in record time. He is appointing people that have been successful and run successful empires. I hear the media knocking it. Obama is seeing his dream crumble in front of him! I think that is the greatest insult that a country can deliver. You and your crap health insurance is in the wind. He said that if we did not elect Hillary, he would be personally insulted! Well there you go Mr. President, consider yourself insulted to the MAX!! The sad part about Obama's 8 failed years is I feel it will be a long, long time before another minority gets elected to the nations top office. That is sad, sad, sad!
