## Pamela's World!

My pastor asked me "Pamela your always happy how do you know if your getting out of the right side of the bed ? " Wlikeell on the pphysical part my bed is pushed up against the wall , I have to roll to the right, & on the spirital & mental part I do my dishes at night {, being in water is medicine for me}. As im washing the dishes i go into prayer starting a gratitude list for all the awsome thing & even people i have met does someone need a prayer for healing, when i finish with my thank you than my problens & when i pull the stopper or even take a shower the water goes so does so does all the stuff ,so i go to bed with no bad thoughts or worries, Becuz tomarrow will come with more dirty dishes !! If we are cleaning yesterdays mess than there just isn't enough hour in the day to enjoy all gifts that come my way. So if your going to PRAY WHY WORRY ? AND IF YOUR GOING TO WORRY WHY PRAY ? trust in your higher power & your self & BELIEVE that things have a way of working out !! I love all the phone call about my articals . You can also send an E-mail so i can have the time to read them, i have part timers & cant remeber each stories & helpful hint to surving the Menopause ride. !m sure my editor would like to hear from all of you about what you think about me & my articles, even though i love to talk with you or hear my mess. my mail box get full. i have a cleasing servic & i can't answer all the calls, your e-mail would be a nice way to end my day.  
 God bless & until next week,  
 Lil Sista Pamela

**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

As I work on my paper for publication this week I am listening to talk radio. I could not believe what I was hearing. There are groups of Liberals who are planing to sabotage the inauguration ball on the 20th. They plan on using acid stink bombs. That way the attendee's will have to evacuate the premises. You know I have listened to all the liberal crap spouted all week long. Now, listen up SNOW-FLAKES! The conservatives in the country have been patient for a long time. You keep pushing and you are going to get a nasty surprise. Bottom line. Your bitch lost the election. When you thought that the bitch would win hands down, you were so quick to tell Trump to put on his "Big Boy Pants" that he should commit to honoring the election results. Your bitch with her holier than thou attitude was so arrogant when addressing the camera and the nation. You thought Trump to be a joke. You thought that the country would laugh him off the stage. Now that you have smeared shat all over your faces it is a time to come to Jesus moment. Keep it up, and you will get the shat kicked out of you. Any Democrat that condones this action to disrupt Trump's moment will only regret it. You do not want the wrath of conservatives raining down on you. So grow up. Act like adults and move forward. You are not only an embarrassment to yourself, but the people that have laid down their lives to give you a safe country to call your home. I have had it with the stories of people being attacked in public because they voted for Trump. This needs to end, today! If you don't like the electoral college, get off your dead ass and change it. Everything that has come to pass is the same process that has been in place for 231 years. When you look ahead to the 2020 elections, have a better candidate. That is where liberals went wrong. Can't have a pompous criminal for a candidate!
