Pamela's World!

Hello my friends,

As a lot of you would agree this weather is great ! Lots of rain, & sunsine. I even pulled out my bike there was air in the tires so i road around a few blocks. Wow i'm not in shape for any marathons. I'll have to also hit the gym & actually WORK OUT!! i only go in the juquzzi to streach & the pool to wake up. & Off to start my day. On bear valley there's a new place to grab a qiuck bite. their tacos, beans & rice are just like my Nana & my Mom use to make! Called Mu's street food, 20339 bear valley rd. It's before Deep Creek if your going west. 11-1:30am. Im being selfish here giving a shout out, the reason is i live a couple of blocks & late at night when i get off work don't have to cook. So with great food, prices & their hours. It's even nice when your out at the bars. Every day i meet so many folks,of all ages,men & woman. I talk with any-one. every one has story i meet you it doesn't matter what you look like,where you live, what you did in your past. i like to look at every one who walks past me, making eye contact, a nod & a smile. to me it shows respect, that i see yo u & I wish you well! But if i get talk with you & I'll always leave you with a smile. getting anyone to laugh out loud is my goal, also giving you something positive to think about. We live in a world of choes, Theirs alot of folks going no where fast. So even when you see a car with it's blinkers on slow down & let them get in front, maybe even prevent some accidents. So Smile more, Slow down & leave earlier to get where you have to go, learn to laugh more it's really good medicine!

Untill next week.

Happy Valentines Day ,Lil sista,

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

The more you hear the harder it is to make sense of things in California! With the rain that has come, seeming to end the drought, there is no place to store the surplus. They powers that be, had to tell 200,000 people to evacuate their homes. It seems that rather than do things the right way and concrete line the spillway at the Oroville Dam, the state decided that it was not necessary to spend the money on the upgrade. This would have been the smart fix! But, well I will try to be kind, these morons screwed the pooch again! We are not yet seeing the spring run off that will push many reservoirs over the top. Now, picture this, these are the idiots that have been elected to run things. These are the idiots that want to split from the Union and start their own country? These are the dumb asses that have created a new generation of snowflakes that need a safe place and a coloring book because Trump was elected? Are you kidding? Are you really serious? I don't know how this came to be? This state has wasted more money on crap than any other state in our 200 plus year history as a nation. Jerry Brown and the rest of the SNOWFLAKES will do their best to destroy everything you own. On the Federal level, it is even getting wilder. A piece of crap Judge with the 9th District Court feels that he has more power than the President of the United States of America. Can you believe the delusion that is taking over the liberals? We are going to meltdown quicker than I had thought. If the liberals aren't put in their place quickly with a swift kick to the ass, we are in deep trouble. The lack of willingness to protect us from people who will come here and kill us is amazing. I hope that if that happens, it is the bastard judge that get burned. If these judges think that it is okay, let them also stand liable for anything that these 3rd world mongrels do!
