**Pamela's World!**  
 Hello my friends,  
 I'm asked so many questions, but lately it's been about the man behind "Unspoken Thoughts." The latest question was, "He must be a short, little 110 lbs, with a big mouth, probably has a few teeth missing from insulting certain folks?" My reply is: I haven't been close enough to count his teeth. He is a strong, solid, tall man- 7 feet tall and 4foot wide. (Not sure how tall, really!) Don't mess with his family/friends. Don't call him a liar or cheat. He does have a great sense of humor. Don't beat around the bush, say what you mean and mean what you say. It's obvious he's a Trump Fan. His character and personality are a lot of fun with his stories of the days when his foot has been up someone's ass. Maybe ya did something or said something stupid or both, who knows? But he did say something like, "Send the Old Timers to the front line in combat because they'll get the job done. Because they are cranky after having to get up every couple hours to piss, then they need an afternoon nap at 3!" The battle will be over before beer time! Our Elders, Old Timers, Seniors still have so much to offer! They have paved a way and been through so much we take for granted. Our Freedom!! Let's not wait for a national Holiday to open the door Listen when they speak; reply with, "Yes sir" and "No Sir" because they have learned so much about life. A Better way to living life on life's terms!  
**God bless & until next week,**

**FROM THE EDITOR! "UNSPOKEN THOUGHTS"**

The Oscar's were on Sunday this last weekend. I personally could care less about watching them. You have a bunch of morons, that think they walk on water, trying to dictate to the everyday working man how is needs to show compassion to the illegal's that have come here to take away his job security. Not to mention that it puts all of us in danger! These people who preach about how everyone other than them are bigots and racists. These rejects of life live in gated communities. They have armed guards with them and their families 24/7. These are the people who back the liberal politicians that have drained our wealth and cost us many of our liberties. These are the hypocrites that backed Obama and Clinton with Millions of Dollars. These are the people who look down their noses at the very people who actually made them rich! Obama is really big among them. He wanted to be President and Rock Star Barack Obama! If he was Obama the landscaper, mechanic, painter, plumber, etc... they would not have said anything to him other that fetch me a drink when you are done cleaning the POOL! Our values are being challenged more than ever. The degenerate Hollywood crowd is trying to finish off the last of the resistance against their immoral behavior.

Trump is being attacked on a daily basis. You have to say one thing about Trump, like him or not, he has not swayed from his commitment to the American Working Man and Woman! He and his people are at work more than anyone in the history of the White House. Obama spent more money in his two terms that all the Presidents combined going back to George Washington. He is laughing all the way to the bank. He got over on us. Now this piece of crap is behind the scenes plotting against Trump and the American People. I hope that he gets what he has coming!
