Would you like to Sell your Hi Desert House, but You Owe More than your Property is Worth?

Apple Valley -- A new report has just been released which reveals 7 items a Certified Short Sale specialist can negotiate for you.

This industry report shows clearly how a foreclosure could result in a deficiency judgement of \$100,000+ while a Certified Short Sale specialist can negotiate almost unbelievable results for a upside down home owner. The fact of the matter is around 84% of houses foreclose without the home owner contacting a Certified Short Sale specialist. As this report uncovers, most home-sellers with the right representation may never feel the agony of a foreclosure. A hardship may not be necessary. Your lender may not require you pay cash or sign a promissory to approve your short sale.

You may receive a \$5,000 Relocation Allowance. Until Dec. 31,2012 there is no Federal or California State tax on the debt forgiven. So Hurry! The good news is that each and every one of these may be available. As a bonus, the report exposes Loan Modification Secrets they don't want you to know. When hiring your short sale team, look for experience. Some teams have negotiated over 1,200 short sale approvals in 90 days. Industry insiders have prepared a free special report entitled "7 Things a Certified Short Sale specialist can Negotiate for Upside Down Homes."

To hear a brief recorded message about how to order your FREE copy of this report call 1-800-253-9736 and enter 4002.

You can call anytime 24 hours a day, 7 days a week. Get your free special report NOW to find out how a Certified Short Sale specialist can help you.
