FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Here it is Tuesday again, and I have to decide what topic to give my attention to. Wednesday is the Presidential Debate, and without a doubt it will be a good example of how out of control things are in our country. I have my Popcorn Ready!! I was deeply concerned about the Border Patrol agent that lost his life in Arizona. This happened near a facility that was named for a agent that was killed in that same location. It seems like no one in Washington D.C. or on the campaign trail wants to address the issue of growing violence on our side of the Arizona/Mexican Border. The Fast and Furious Program was a total failure, and yet the blame has not been accepted nor placed on the genius that came up with this totally IDIOTIC PLAN! We have an out of control system run by Morons, and we sit by and watch without protest. This next election will give you the opportunity to make real changes in our future. Well the truth is it will be business as usual no matter who gets elected President. The taxes will keep going up, the wasted money that just keeps pouring out of a hole the size of Texas, and we will hope that the little boy will put his finger in the dike and save us all!!

California has many dreams about High Speed Rail Systems, and how it will benefit our citizens. With all the Billions of Dollars that are already in the Trash, our leaders keep asking for more money to do more of the same. Brown, is not any smarter this time than he was the last time he was Governor of California. Yet, he gets on TV and Radio and fumbles and bumbles and rants and raves. I don't think that this senile old fool has a clue. He still thinks it the 70's and he still has a full head of hair!!!

LMAO!!!

I would like to hear your thoughts 760-298-0902
