**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**  
 Well another week has passed, I hope that everyone had  
 a Happy Thanksgiving! Now that the real world is back, I  
 guess it is time to settle down to the business at hand. I  
 received this in an email, and thought it was one that  
 needed to be shared. I wish I could claim this one, but  
 since I'm not a politician I decided to do the right thing  
 and give credit where credit is due.  
 "The danger to America is not Barack Obama, but a citi-  
 zenry capable of entrusting a man like him with the Presi-  
 dency. It will be far easier to limit and undo the follies of  
 an Obama presidency than to restore the necessary com-  
 mon sense and good judgement to a depraved electorate  
 willing to have such a man for their President. The prob-  
 lem is much deeper and far more serious than Mr. Obama,  
 who is a mere symptom of what ails America. Blaming the  
 Prince of Fools should not blind anyone to the vast confed-  
 eracy of fools that made him their Prince. The Republic  
 can survive a Barack Obama, who is, after all, merely a  
 fool. It is less likely to survive a multitude of fools, such as  
 those who made him their President." This is truly good  
 food for thought, and I suggest that we really heed these  
 words of wisdom. The problem with our country is running  
 around afraid to speak out in fear of being deemed socially  
 unacceptable. It seems that everyone and their grand-  
 mother has a hand out and wants lots of FREE STUFF for  
 Christmas. I think that no matter what the Congress and  
 Senate decide, we will be heading full speed over the fi-  
 nancial cliff. I think that 4 more years of the same lines of  
 verbal trash from politicians will without a doubt break the  
 camels back. We are now greedy. Want everything deliv-  
 ered to our doors with out an honest days work.  
 Shame on us!  
 I would like to hear your thoughts 760-298-0902
