**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

I am relatively sure that everyone has heard about the strike down at the docks. The Clerks Union basically were able to shut down all harbor activity. Now a look at the reality of what they did. These people were on strike because they felt that they are being mistreated and abused by the evil company they work for. I don't blame them a bit! Imagine working for \$195,000.00 a year, 21 paid Holidays, 21 sick days with pay, and to add insult to injury a meager 11 weeks paid vacation. I don't see how these Clerks were able to make ends meet! If I were the person in charge of this company, I would have FIRED each and everyone of these ingrates. I would have replaced them the moment that they walked out the door. The Long Shoreman, honored this strike. I would have told them to really think this through. Can you imagine with the jobless rate so high in our State and Country that these people feel that they deserve more? That is about as stupid a move as the Bakers Union going on strike at Hostess. Nothing like cutting off your own nose, and the nose of the people in the room with you despite your face. Everyone is making jokes about the Mayan Calender, that the world is coming to an end. If you have ever bothered to read and study the story behind it for yourselves, you would understand that they never said the world would come to an end, they said the world would come to an end as we perceive it to be. The enlightened will be just fine, the others will fall by the wayside. On a closing note, I would like to share a thought with you that I have without a doubt determined to be true. STUPID CAN'T BE FIXED! On that note, I hope that your days are blessed and your dreams and wishes come true!

I would like to hear your thoughts 760-298-0902
