FROM THE EDITOR!
"The Week In Short!"
I would like to hear your thoughts 760-298-0902
Fannie Mae and Freddie Mac are a prime example of how our government puts agencies together that steal us blind and nothing is done about it unless a private citizen gets wise to what is happening and raises hell. If nothing is ever brought to public attention, this is the way our government agencies do business. It is not about right or wrong, it is only about making money. Nothing is as it appears, follow the money trail and at the end you will find the truth!
